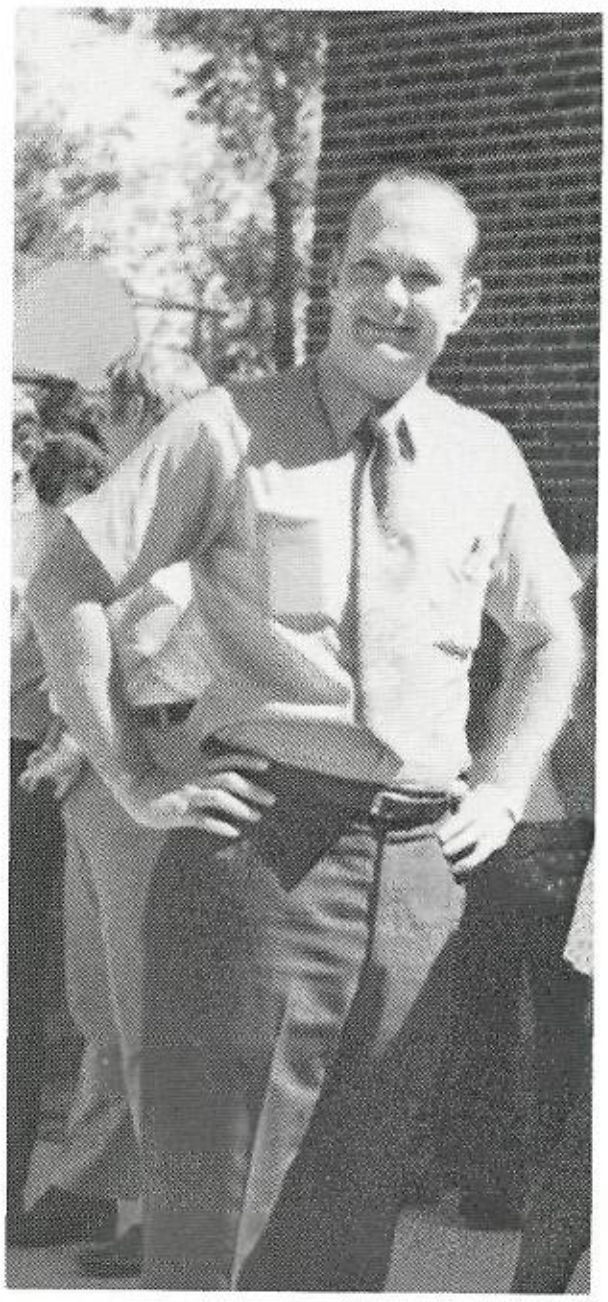
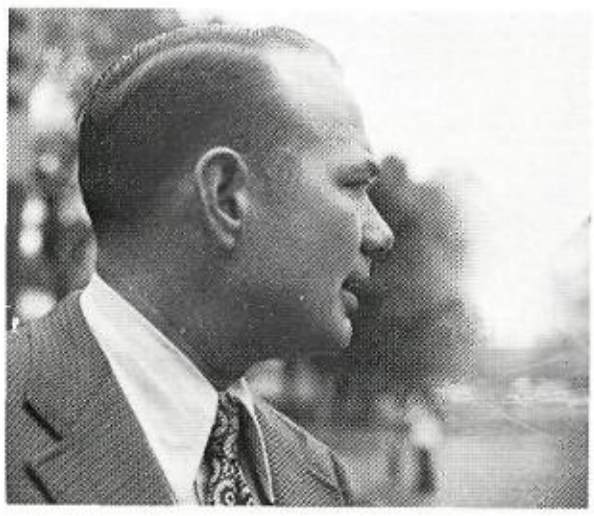
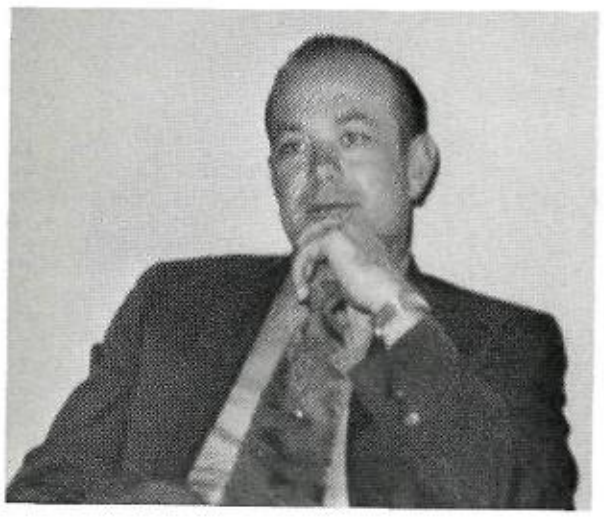
WHEEL OF ACCOMPLISHMENT

Mr. Fickel Leaves After Third Year

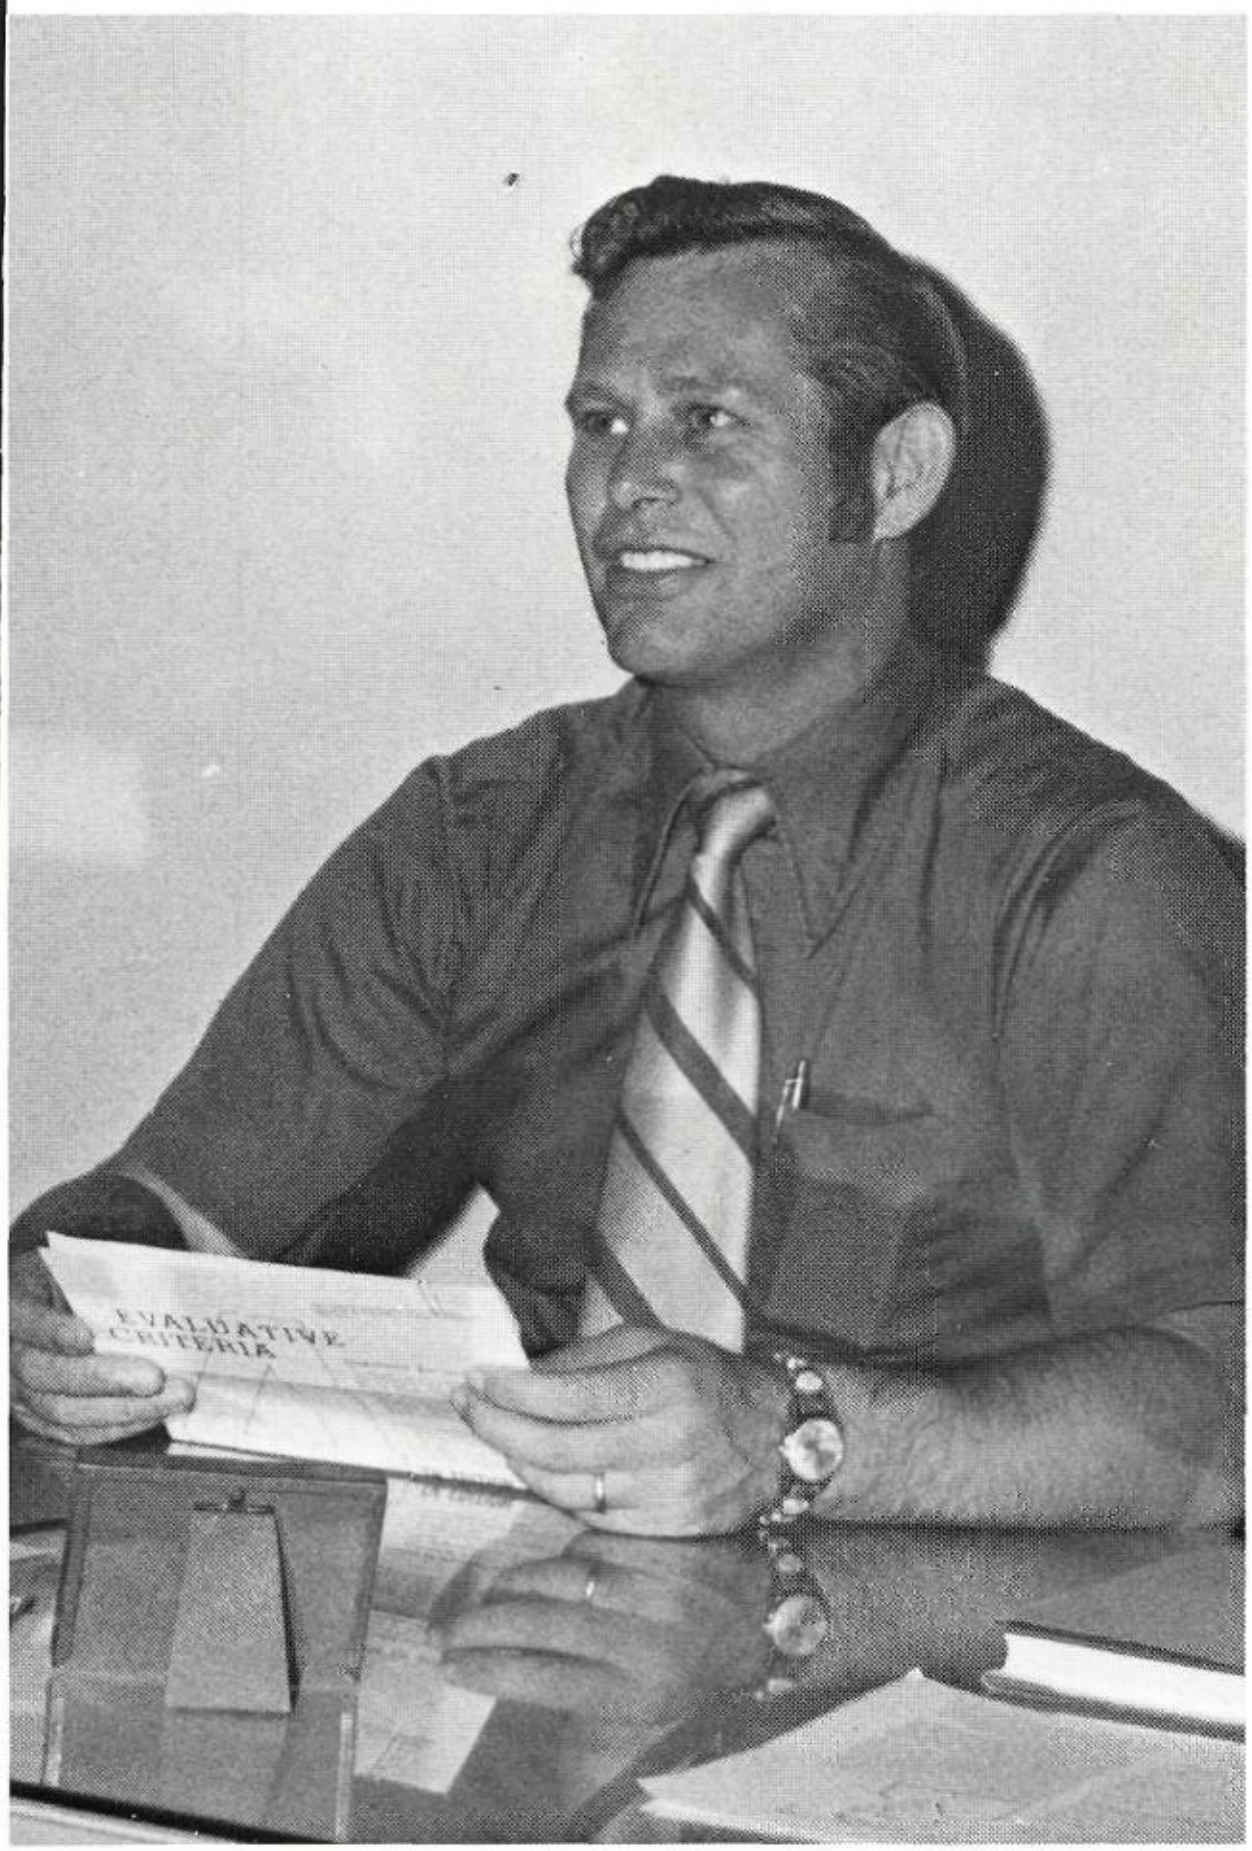
This year at Albuquerque High began with Mr. Billy D. Fickel as the principal. However, very soon into the semester, Mr. Fickel became Director of Career Education for the Albuquerque Public School System. All Bulldogs were sorry to see Mr. Fickel leave; however, everyone wished him the best in his new career.







Mr. Geer Appointed New Principal of AHS



Mr. Otto Geer who replaced Mr. Fickel as our principal came to Albuquerque High School on October 9, 1972. Before starting work at A.H.S., Mr. Geer had been principal of Lincoln Junior High.

The transition which was easy for both faculty and students led into a great year at Bulldog City.

Great Results Achieved in Art Class

Learning how to design and construct crafts was only one of the areas in which students participated in the Fine Art Department. Students, in addition, learned the techniques of ceramics, sculpture, painting, drawing and commercial art.

Art work which was completed at Albuquerque High was put on display at various art shows in New Mexico; thus, enabling students to receive recognition for work well done. Student works were on display in the library, LAC, offices and teacher lounges. Miss Johnson was head of the Fine Arts Department this year.

Music Brings Out Talent In Many Bulldogs

Practice and hard work produced music for Bulldog City during the year. Mr. Conlon and Miss Pisciotta encouraged their students to pursue their musical interests through practice and through an appreciation of all the skills that result in beautiful music.

A music theory course was offered to those students who plan to go on in music education. In addition, Mr. Conlon initiated a marching band class which required the student to participate in all marching band activities.

The Showtime Band gets together for fifth period and practice several rock numbers. The Band made its first appearance in the La Reata assembly.

Business Gives Students Bright Future

Preparing the student for employment was the primary goal of the Business Education Department this year. The department, headed by Mrs. Denton, worked hard all year to help each student learn all the skills and concepts which are so important to acquiring and holding a position in the business work world.

Many students were given the opportunity to earn credits while learning business skills by participating in the Cooperative Training Experience Program. Under this program the student was in class during the morning; but in the afternoon, he was working at a job.

The students gained skills in typing, shorthand, bookkeeping and business English.

Mrs. Sherman helps students understand how business machines are used. This is very helpful to students going into the business field.

The eleven teachers made up the largest department in the school.

Mrs. Claridge worked with juniors as well as seniors in addition to her duties as Department chairman which kept her very busy.

The elective courses offered this year included Speech, Popular Novels, Drama, Record and La Reata. However, even if the student elected to take one of these classes he still had to enroll in either English II, III, or IV.

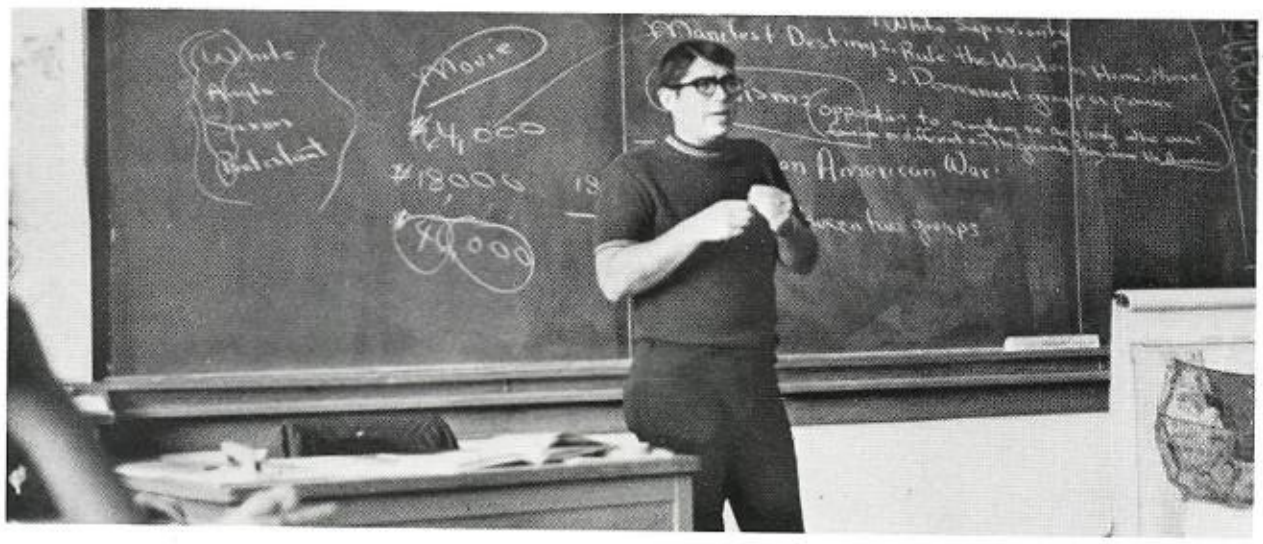
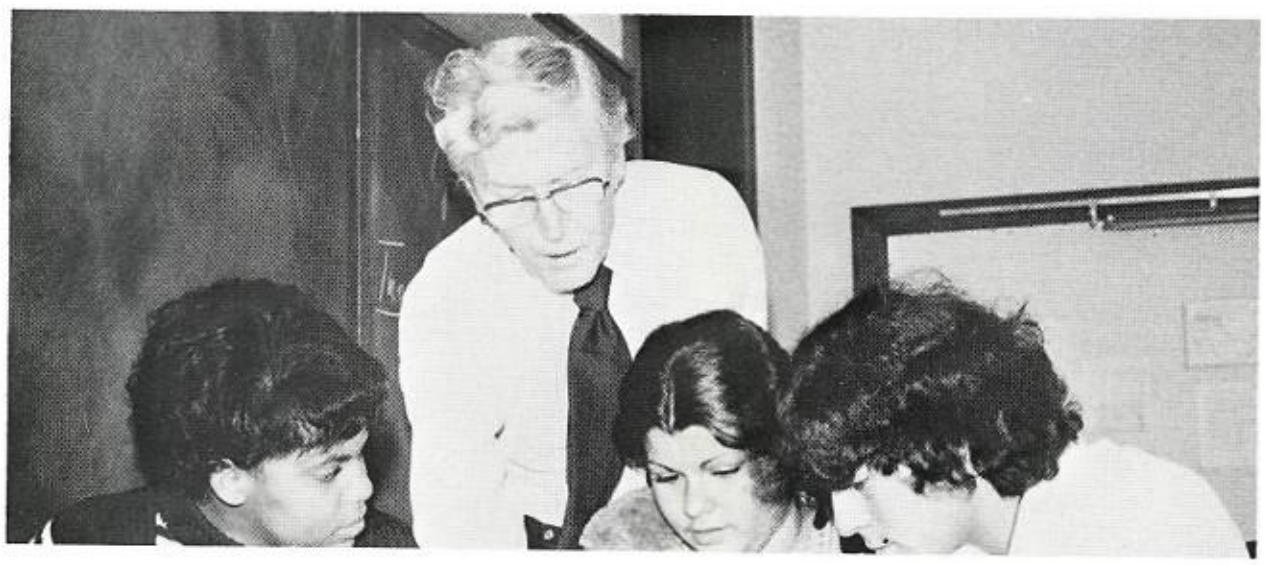
Past and Present Come Together in History

A special goal of the history department this year was to get all eighteen-year-old students to register and vote. The year 1972, was very important in the history of the United States because it was the first time that eighteen-year-olds were allowed to vote. Consequently the teachers of the history department spent a great deal of time encouraging students to vote in a knowledgeable manner.

Mr. Miranda, the department chairman, was assisted by the other history teachers not only in teaching U.S. History and early civilizations but also stressing the importance of individuality and the importance of tolerance for all cultural groups in a special course entitled cultural awareness. In this course students learned the values of different cultures and their contributions to society.



Mr. Sanchez lectures one of his classes on the concept of Manifest Destiny which is very important in the history of Mexican-American people.



Mr. Hannah helps a group of students in one of his World Cultures Class, including our Foreign Exchange student from Brazil.

Home-Ec. Develops Useful Skills

Helping the student to select meaningful individual and family goals was one of the primary functions of the Home Economics Department during the year. In addition, the students learned important factors involved in being a homemaker, parent, consumer and citizen.

Courses included Family Living, Preparation for Parenthood, Survival of the Bachelor and Consumer Education. Mrs. Shock was head of the department.

Spanish Increases Awareness

Mrs. Emslie and Mr. Baca again were the only teachers in the Foreign Language Department. The Students were instructed in the basic structure of both French and Spanish. Additionally, the students through the use of simple stories, proverbs, songs and music were able to gain cultural knowledge of the particular language they were studying. Students who took the advanced courses were able to read short stories, poetry and other literature in their selected languages.

P. E. Improves Physical Well-being

The Physical Education Department had many areas of importance which were stressed through the year by the teachers. Students were expected to improve their physical well-being through exercising and active participation in sports. Physical cleanliness was stressed during the year and students were expected to shower regularly.

One of the traditional goals of any P.E. department is to stress a sportsmanlike attitude and the Bulldogs constantly had this quality stressed in their classes.

VOC Rehab Encourages Productivity

Vocational Rehabilitation at Albuquerque High during this school year was designed to help the student obtain a job and to help the student maintain his position once it was acquired.

In addition to assisting students in the work area, Mrs. Garcia and Mr. Groffman taught their students English, math and social studies.

Mrs. Garcia and Mr. Groffman assisted the student with any problems the student encountered. However, the greatest assistance, was encouragement which all students will agree is so important.

New Skills Achieve Immediate Results

Helping the student learn the basic theory, skills and tools of particular crafts was the major goal of the Industrial Arts Department. The six teachers taught Metals, drafting, electricity, auto mechanics, paint and body and I.C.T. Service Station.

The I.C.T. course was designed to teach students all the necessary functions of operating a service station. The students enrolled in this course worked afternoons in a service station in order to receive full credit for the course. Mr. Palmer was head of the department.

Registration Begins New Year at AHS

After three months of vacation Bulldogs came back to A.H.S. for the first time on August 25, for registration. Students besides registering also received their student I.D. and were able to meet all the new teachers.

Bulldogs met many old friends they had not seen all summer. Refreshments were sold in the patio after registration and many students then went into the buildings to find their classes. The fun was over; it was time for work.

A special assembly was held in the auditorium so that the students could meet the Homecoming Queen candidates. The rest of the day was devoted to voting.

Cathy Chavez, Cheryl Agnes, Mary Darling, Debra Wash, Yolanda Gallegos put finishing touches on setting.

Bulldogs Come Through During Spirit Week

This year Spirit Week was made up of Little Kid Day, Crazy Braid Day, Pajama Day, Hippie Day, and Green and White Day. Both students and faculty participated. The Sophomores won the Spirit Stick, but received stiff competition from both Junior and Senior classes. There was much faculty participation, and many teachers believed they deserved the Spirit Stick. The week was capped off by a football victory over Rio Grande.

Spirited Bulldogs get together on Little Kid Day and play "Ring Around the Rosie." Butch watches on.

The soul of A.H.S. is demonstrated by BLACK GOLD. Maxie Riggins delights the crowd with beautiful poetry.

Joe Samora and Kim Killion give the crowd a taste of the A.H.S. production, "Barefoot in the Park."

The A.H.S. Chorus performed two numbers during the opening, "Black and White" and "Camelot."

BAREFOOT IN THE PARK was presented this year by the drama department for the enjoyment of the student body. Playing the main roles were from left to right: Eddie Jaramillo, Sue Goodson, Kim Killion and Joe Samora.

Great Talent Presented on Stage

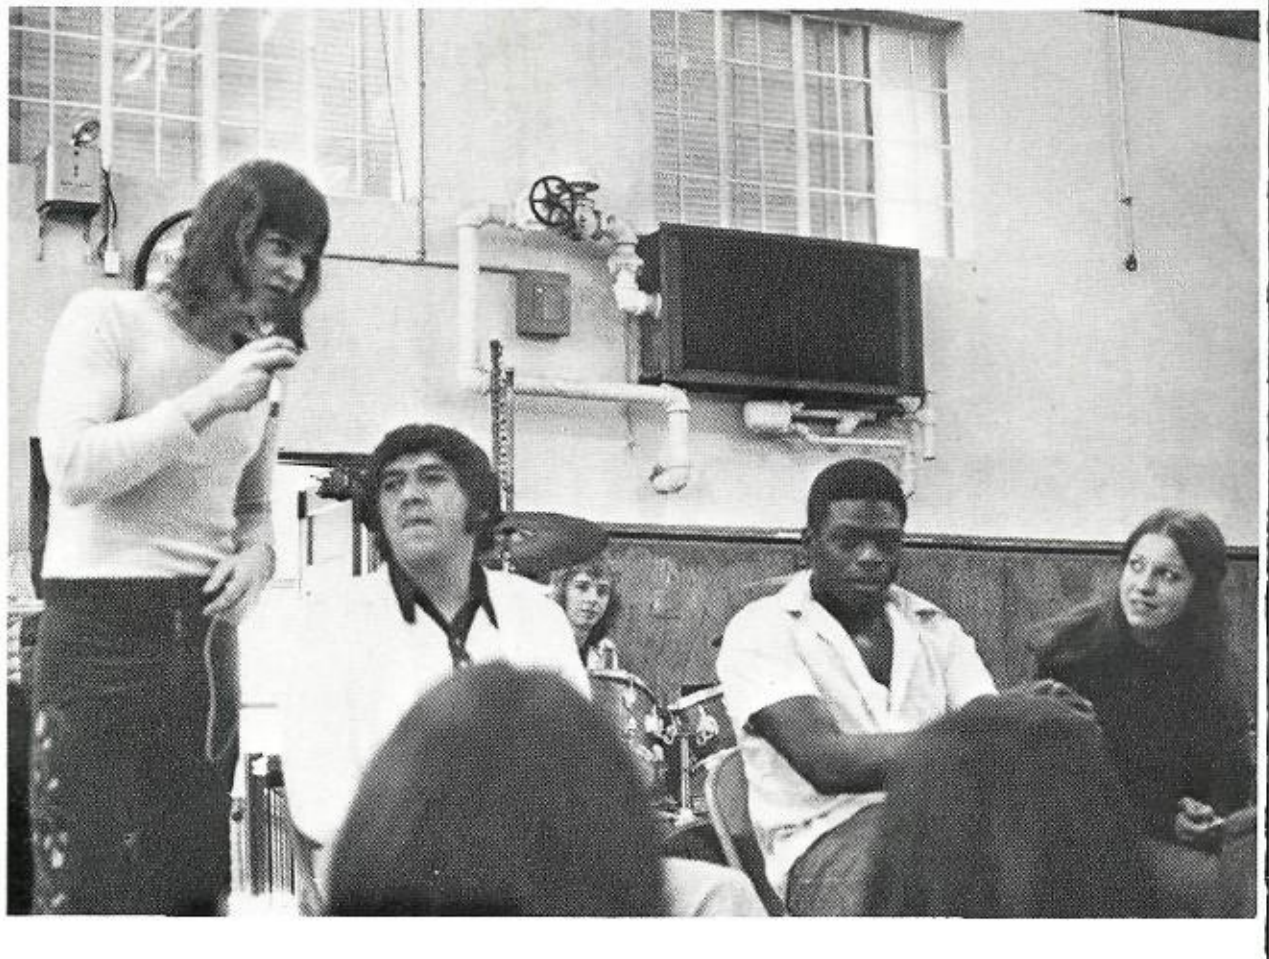
The auditorium stage comes to life with a concert presented by choir. This was a pop concert with many rock tunes performed.

A member of the singing group "Black Gold" waits for the music to begin.

Much Musical Talent Comes To AHS

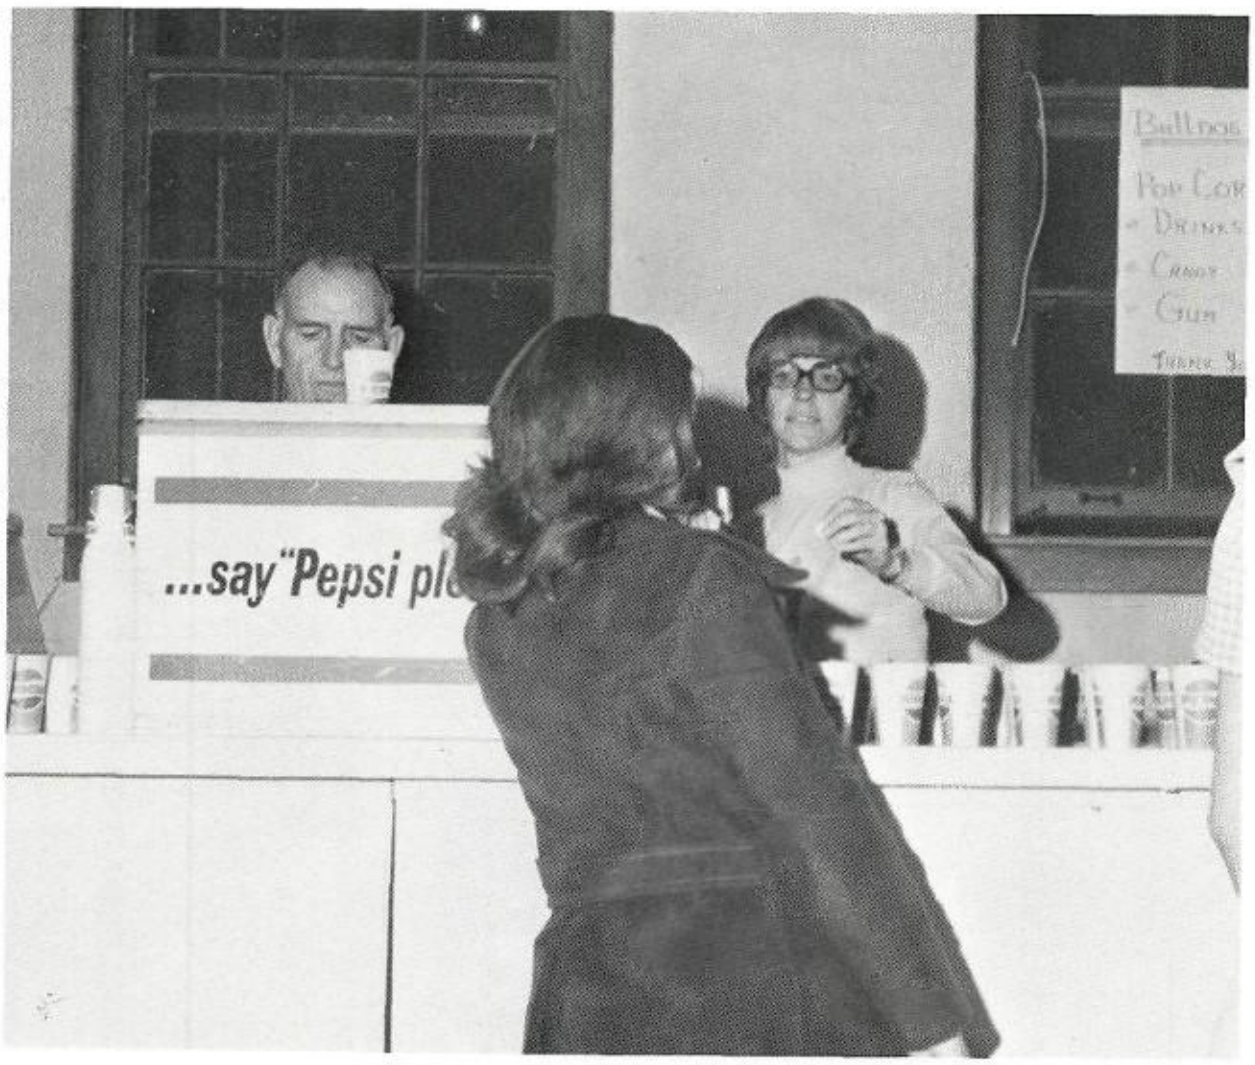
Another outstanding musical group presents itself to the A.H.S. student body.

A little practical joke is played on outstanding Bulldogs, Mr. Atencio, Larry Williams, and Tina Peterson by the musical group "Free Fare."



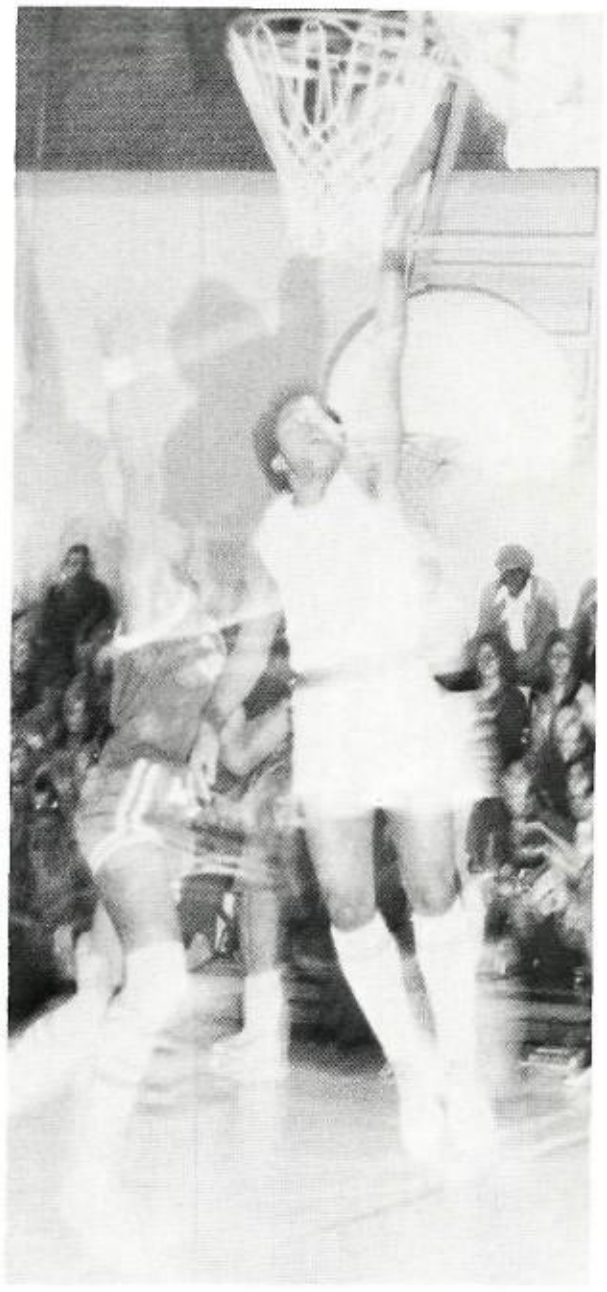
"Up With People" came to A.H.S. again this year, bringing with them their great musical talent and their message of peace and brotherhood throughout the entire world.

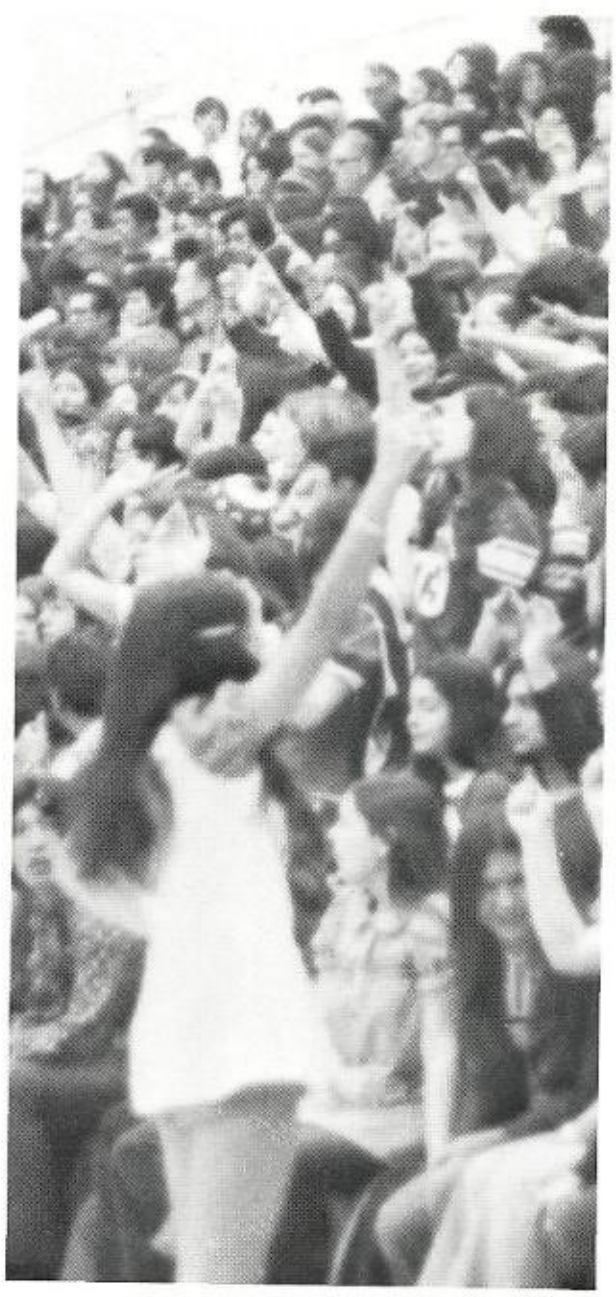
Coach Smith and Miss Sandell take care of customers at the concession stand during all home basketball games.

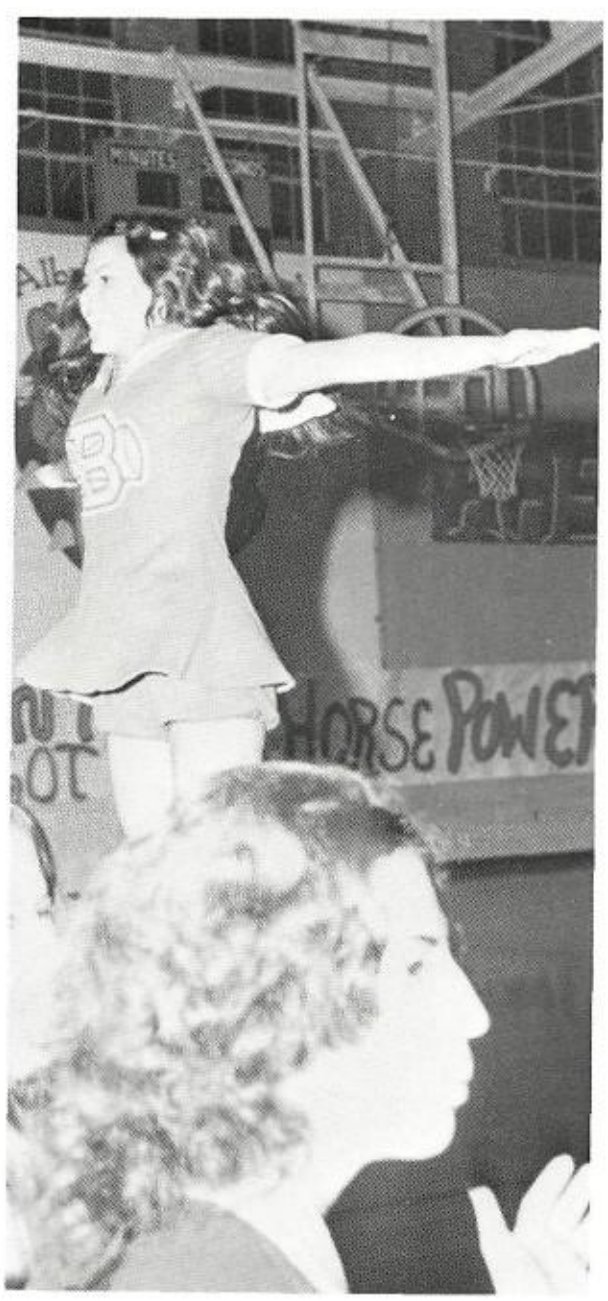


Basketball Gives Boost to Spirit

One of the highlights of the year occurred at a student-only assembly. While many felt not a great deal was accomplished, opportunity for expression which was offered and accepted by many, served as a good tension reliever, and in some ways revitalized and reunited the student body. A new attempt was made at acquiring student spirit just in time to see the football team break a thirteen-game losing streak.







Happy Faces Record Good Times

Wintertime brought some happy times to Albuquerque High students. Debbie Romancito was elected a Pow-Wow princess and Jessie Gonzales was crowned Queen of the Military Ball on December 1st.

The Senior Class entered a float in the 1972 Christmas Parade and won third place. A first place was awarded to the Bulldog Marching Band.

Of course, there were always the hams on campus to provide that extra measure of cheer which got us through the year.

Sophomore Debra Romancito was named Albuquerque Intertribal Pow-Wow princess.

SENIORS RULE

Class of '73

Graduating Class Hopes For Lasting Peace

Several years ago the conflict in Southeast Asia erupted. Today there is peace which makes quite a few seniors happy. With this war gone it gives the seniors a brighter and happier outlook of the future.

Some of the accomplishments of this years seniors have been the choosing of class colors, flower and motto. They also entered a float in the Christmas Parade which won third prize. The senior class sold Bulldog jerseys and worked toward a senior week. These accomplishments reflect the vitality this graduating class of '72-'73 has to offer.

'72-'73 is Outstanding Year for Juniors

Marvelyn Fresques was selected President last spring by her Junior Class. She proved to be a strong and hardworking leader. Assisting Marvelyn were Gary Hopp, Vice-President and Karla Kern, Sec.-Treasurer.

Junior House was in charge of two of the largest projects at A.H.S.—Mardi Gras and Junior-Senior Prom. Aside from these, Junior House had several smaller money-raising projects.

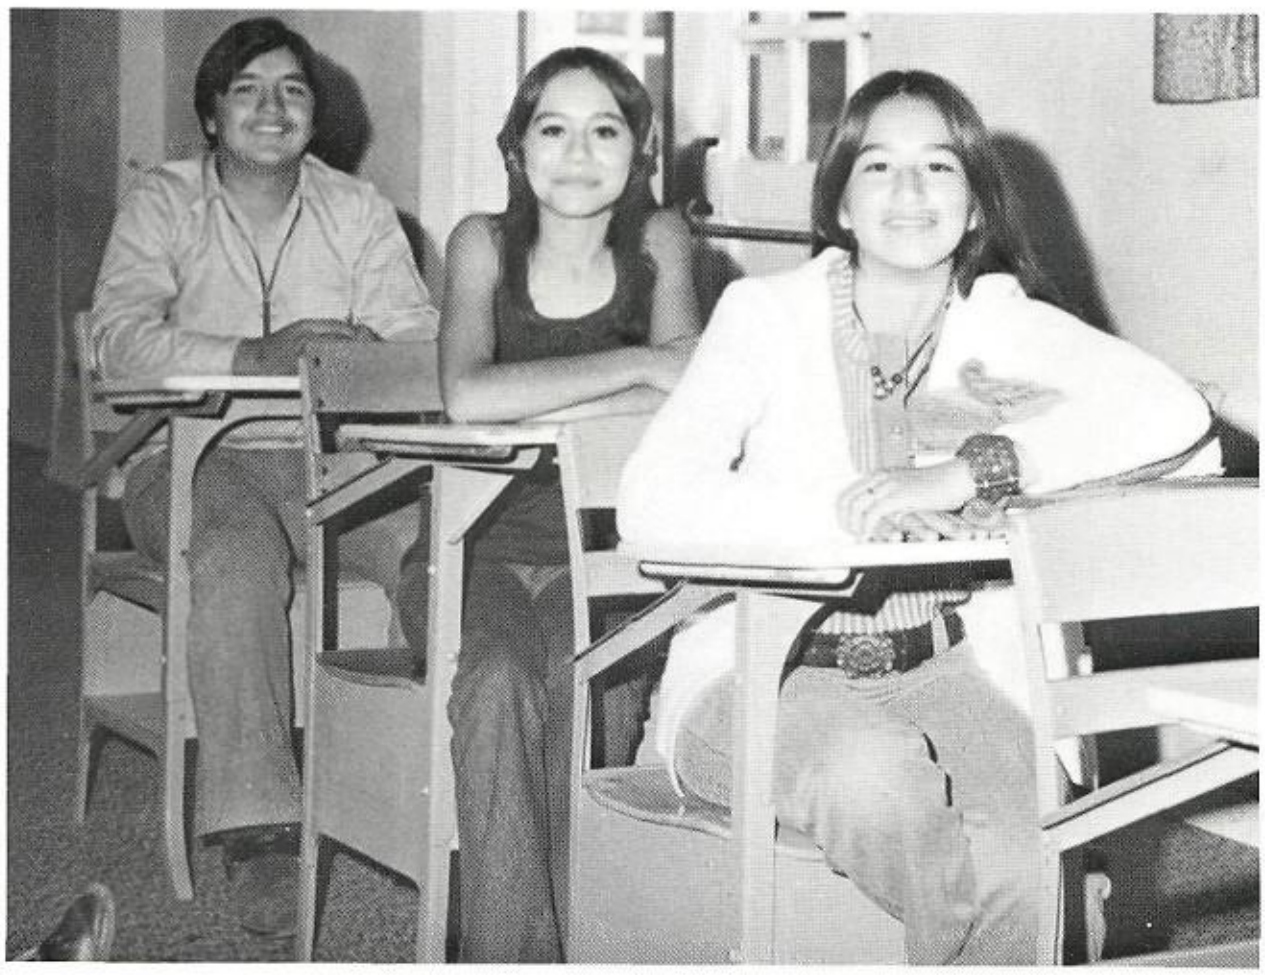
Rita Olvera Leads Sophomore Class



Although receiving stiff competition from the other classes the Sophomore Class surprised everyone this year and won the Spirit Stick during Spirit Week.

This spirited and hardworking class was led by Rita Olvera, President; Joey Quintana, Vice-President; and Barbara Miera, Sec.-Treasurer.

The Sophomore Congress, under Mrs. Jane Hill's sponsorship, took on many projects. Painting of the Sophomore bench was only one of those projects.

Traditionally the Sophomore class has been the largest and this year was no exception. The Sophomore class totaled 470 students.

Concerned Sophomores attended Sophomore Congress in which they looked for means of improving their class. One of the projects taken up by Sophomore Congress was the painting of the Sophomore bench.

Largest Class Has Successful Year

One of the big reasons for the Sophomores' great spirit was that five of the B-team cheerleaders were Sophomores. Everyone greatly enjoyed all the assemblies.

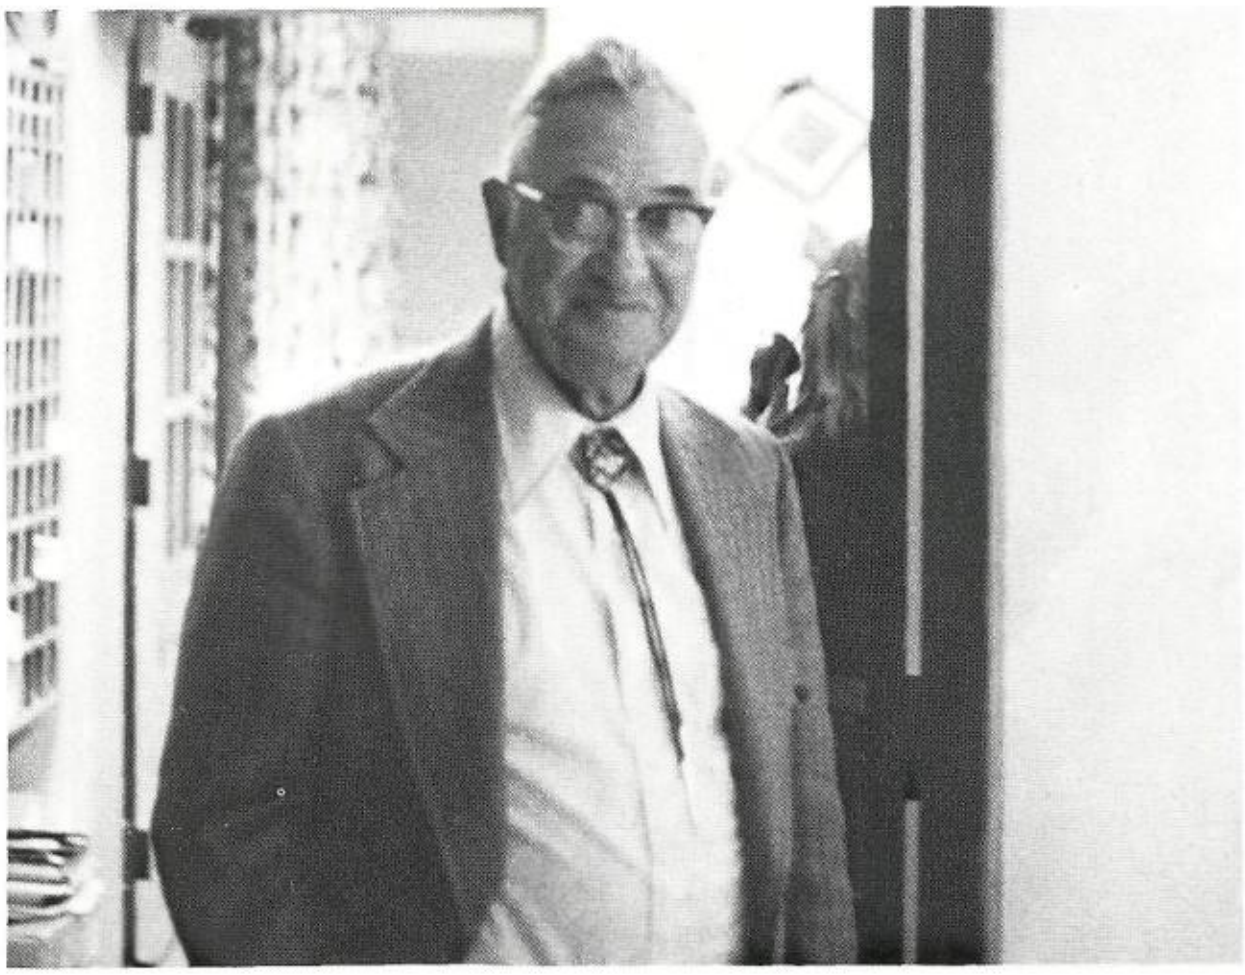
Night School Directed By Mr. Briscoe

Albuquerque High has long been a learning center for both day and night school. This year was no exception. The Night School promoted the concept that education can be acquired at anytime for those who are desirous of learning and those who are desirous of acquiring a diploma.

Courses in covered in Night School were many and varied and included such things as English, Typing, history and art.

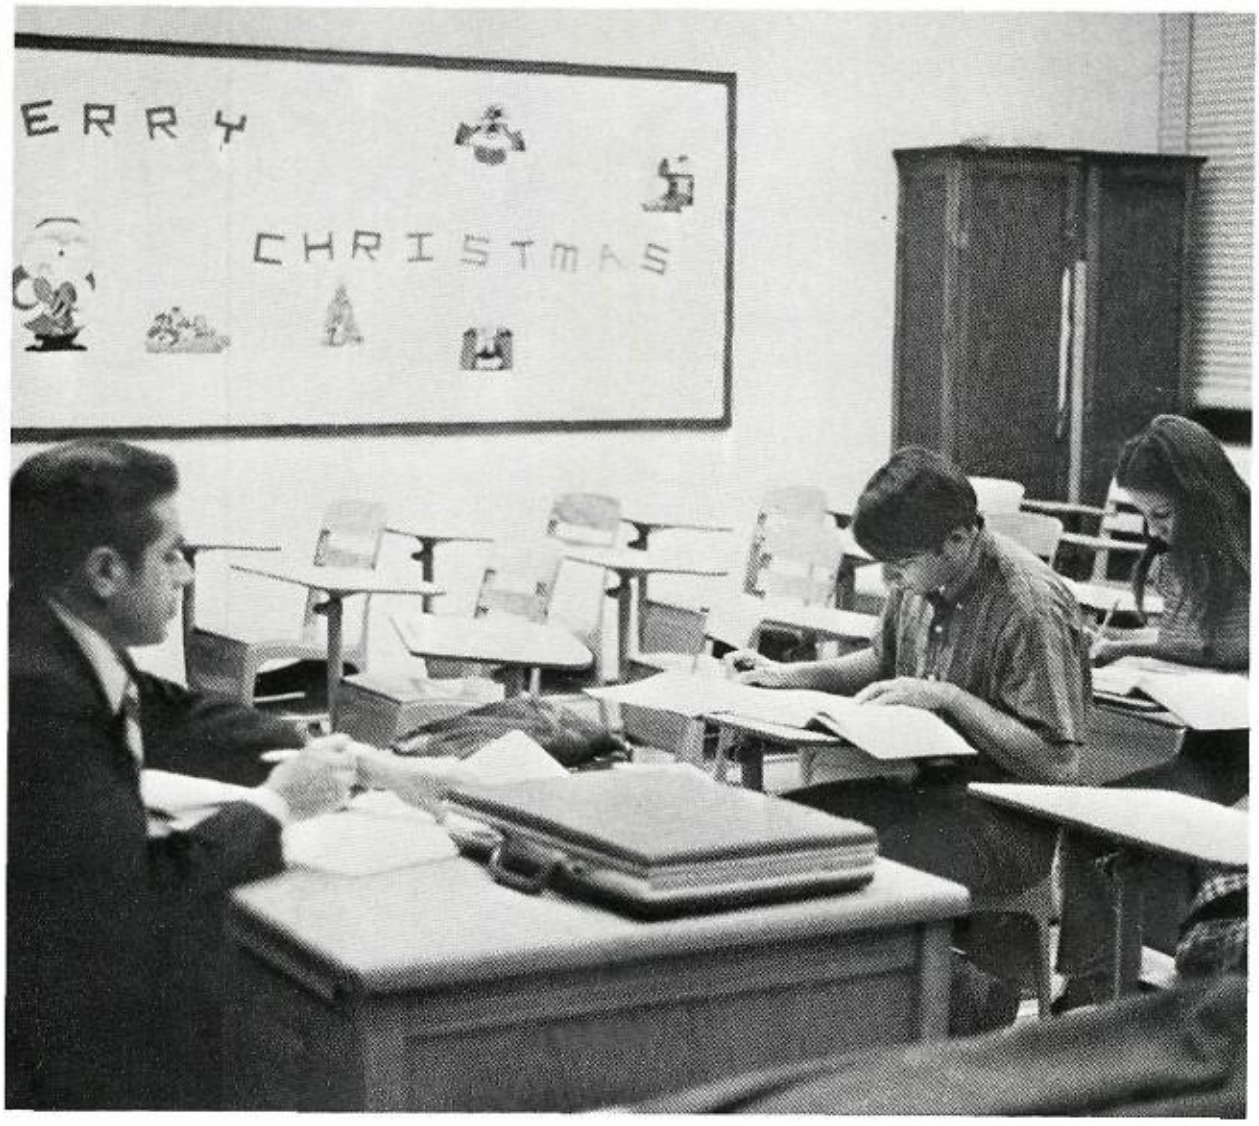
Mrs. Bessie Hopkins, Secretary, assisted Mr. Briscoe again during the year.

Mr. Brown and Mr. Espinosa were the counselors.

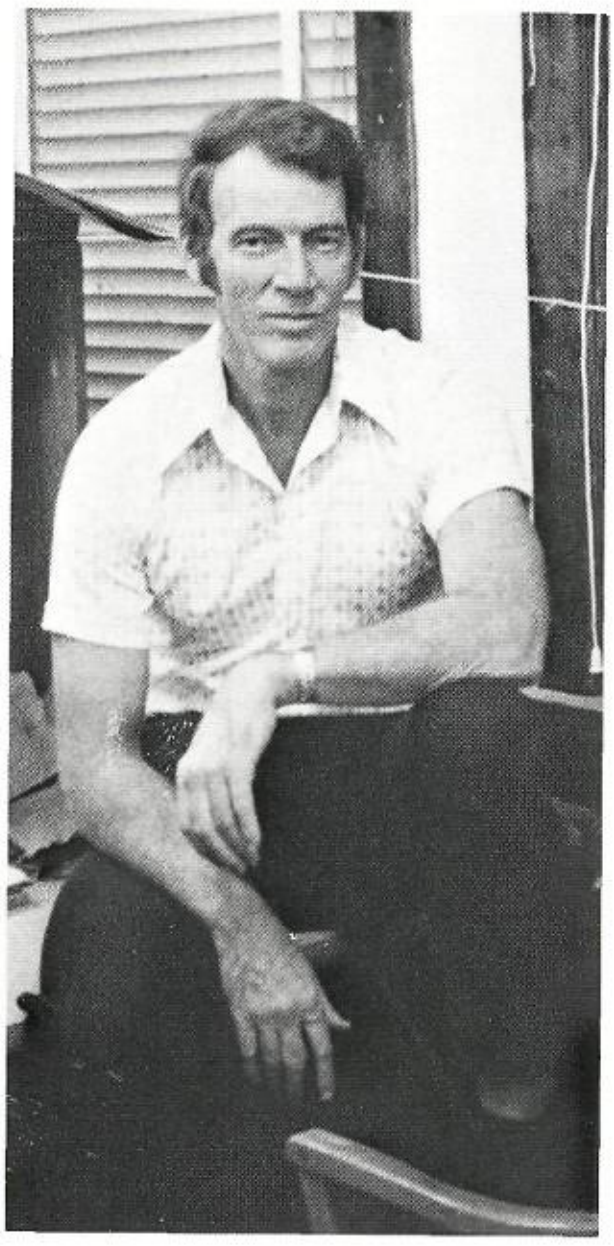


Mr. Briscoe, Night School Principal, is always available to assist students with problems that may arise.

While the halls have a different atmosphere at night at Albuquerque High, the doors to education are open to those who want to learn. Classes are held Monday through Thursday.



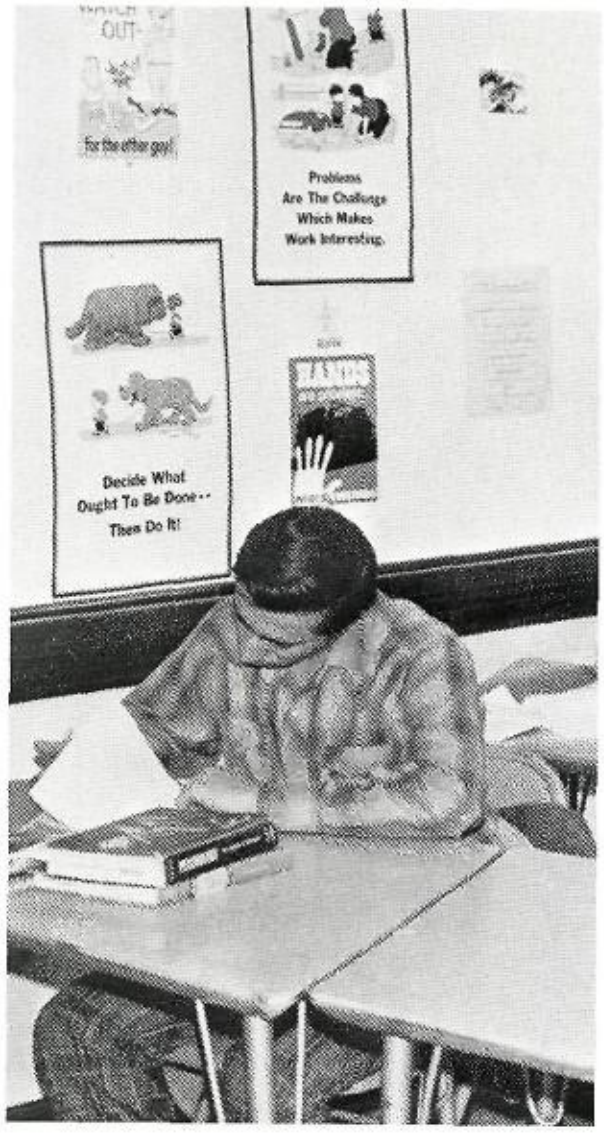
Although only a few students are in class, Mr. Preciliano Garcia continues class at a busy level.



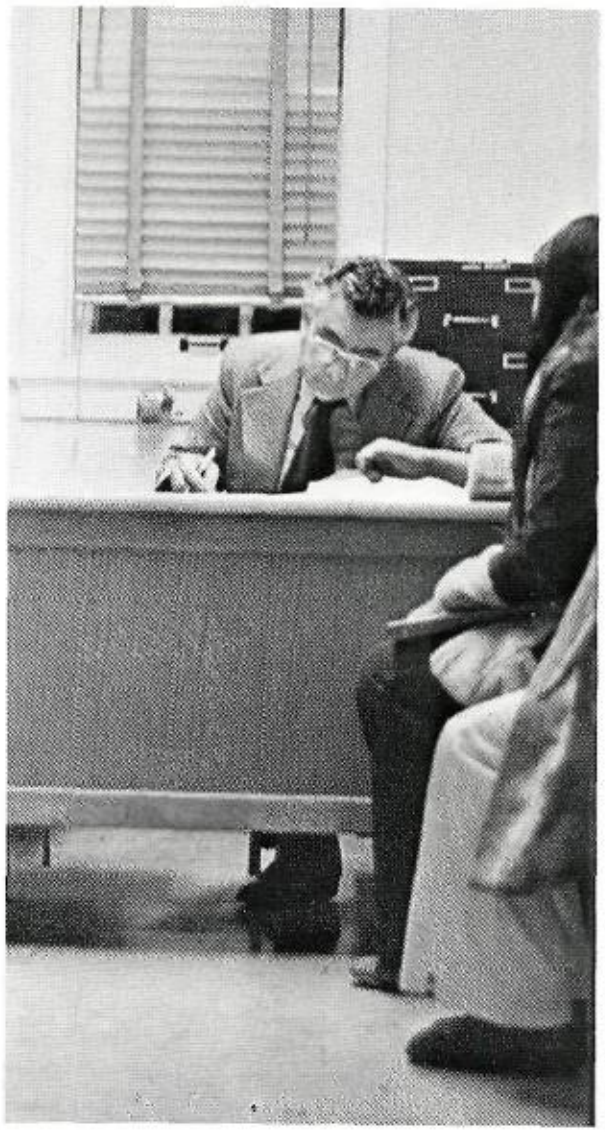
Mr. DeWitt Ivey, long a teacher at Albuquerque High, waits for papers to be turned in.

Students in Mrs. Shirley Robinson's class are momentarily distracted by photographer.

Some students are too busy studying to be disturbed by the photographer.



Night school counselor, Mr. Espinosa works to help students.

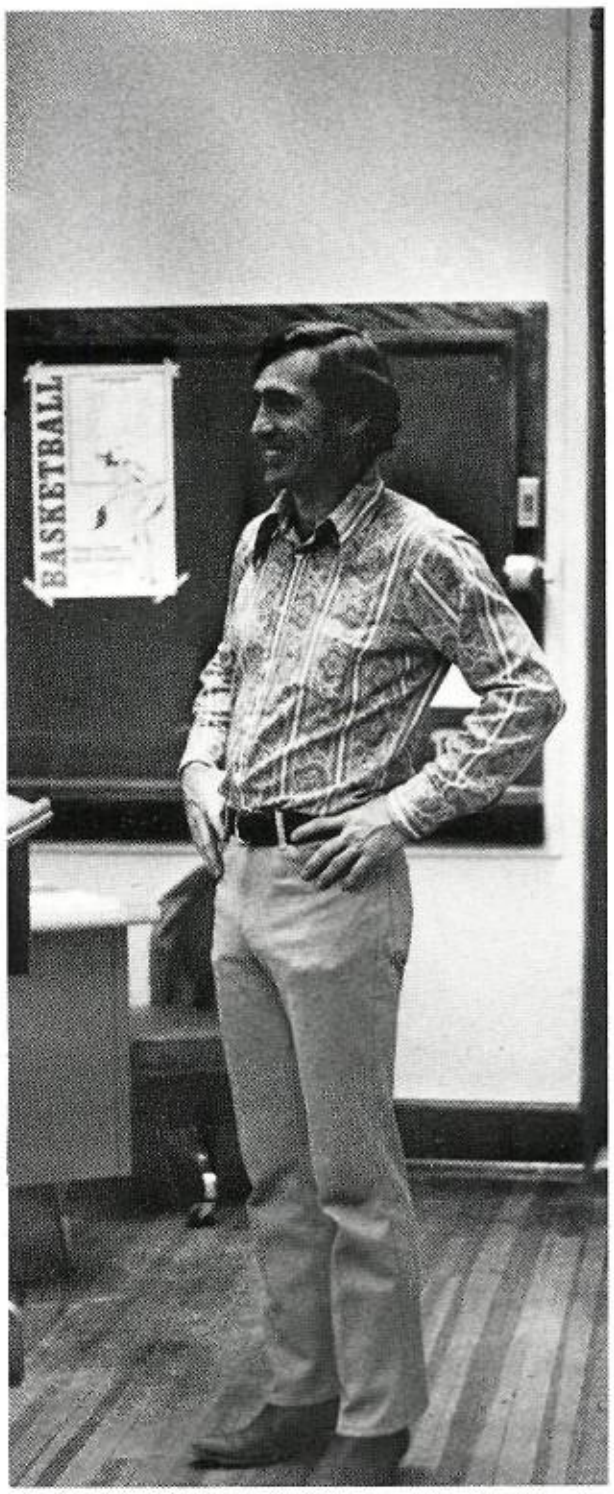


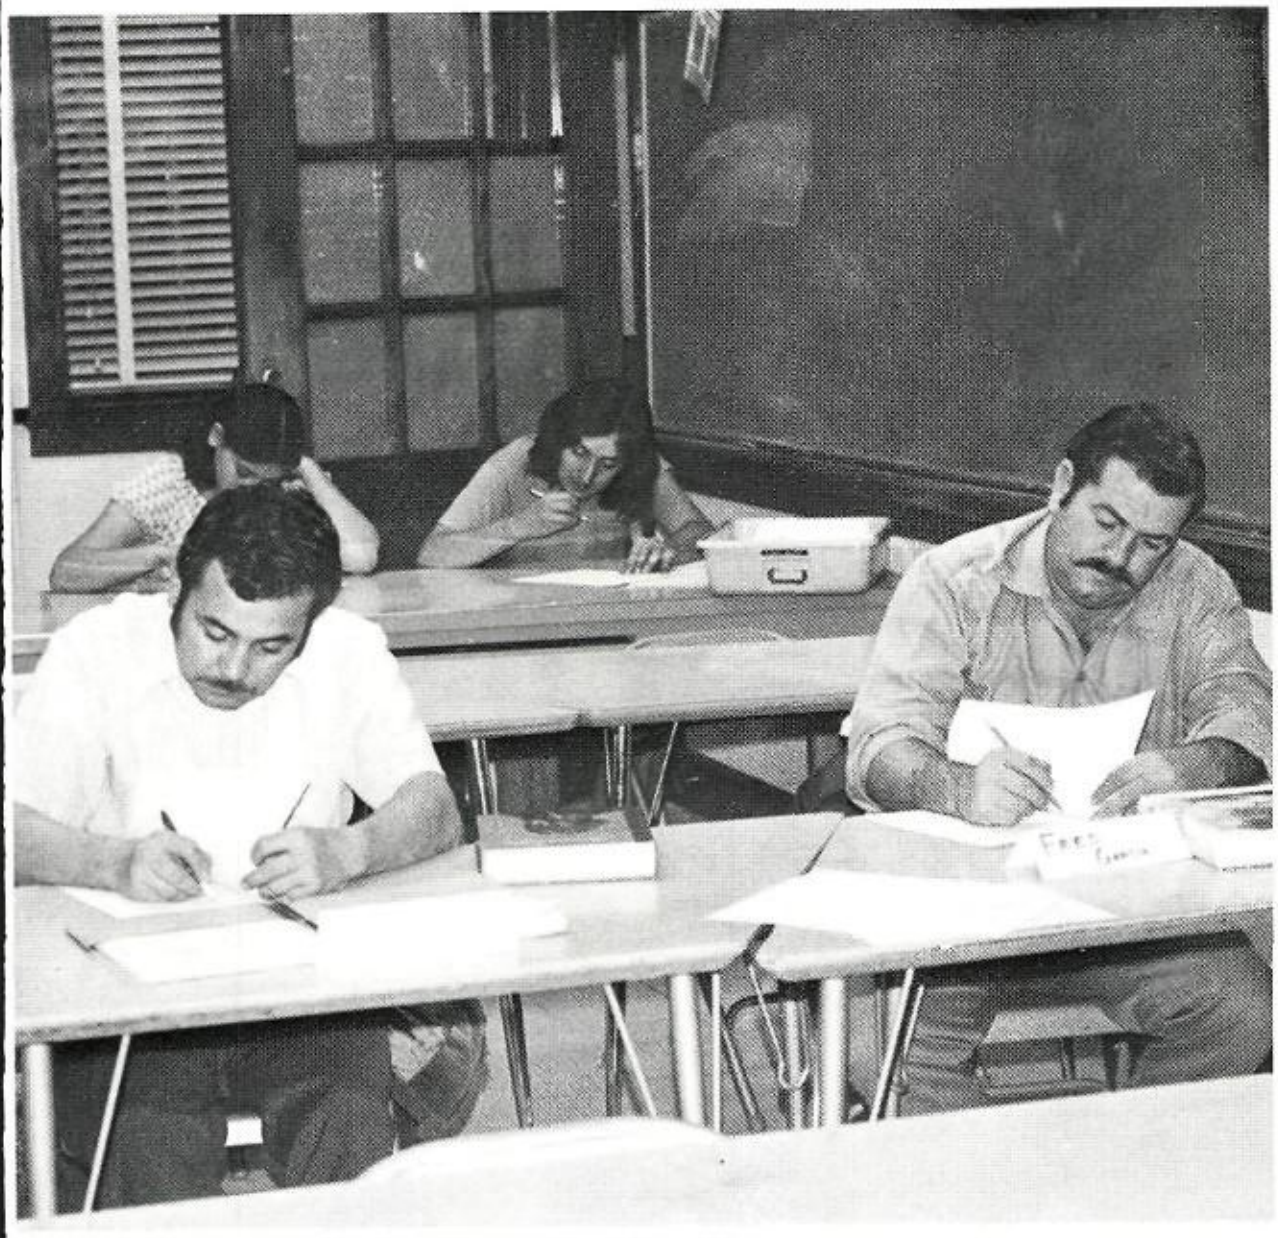
Students work industriously in the arts class to create Christmas Cards. These take much work and effort on the part of the students creating them.

Night School is Means To Achieve Diploma, Knowledge

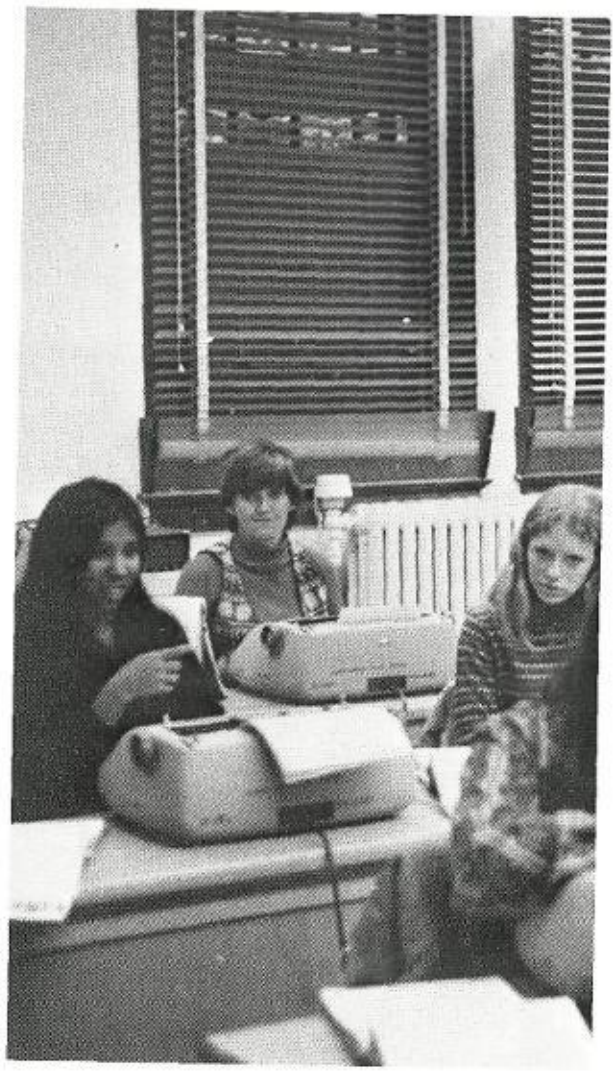
Night School teacher, Juanita Lenk, demonstrates correct posture to her class.

Mr. Devin McAnally starts a discussion on communication in an English IV class.

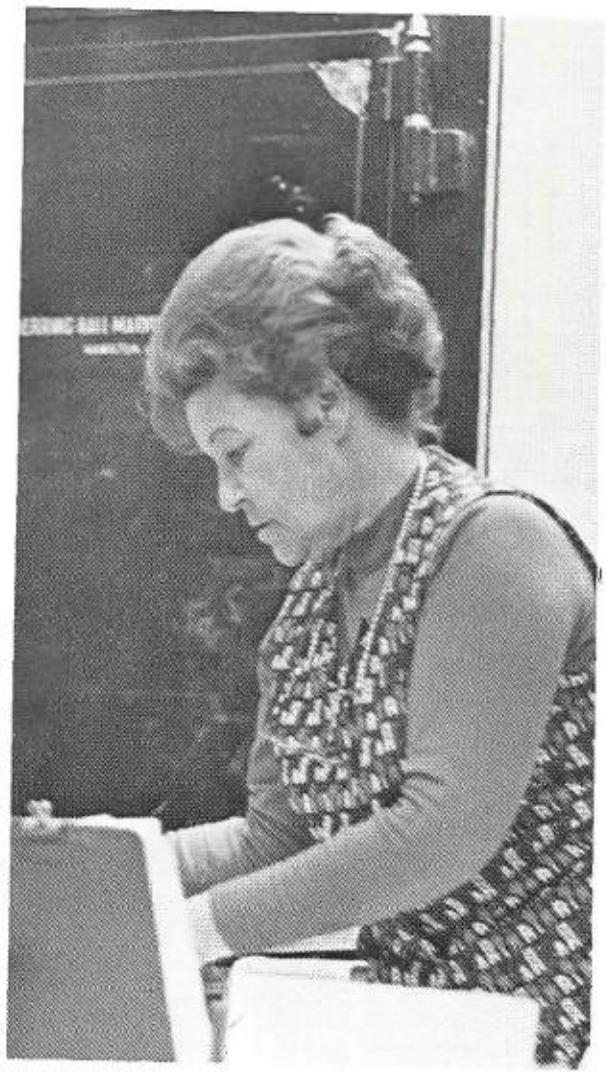




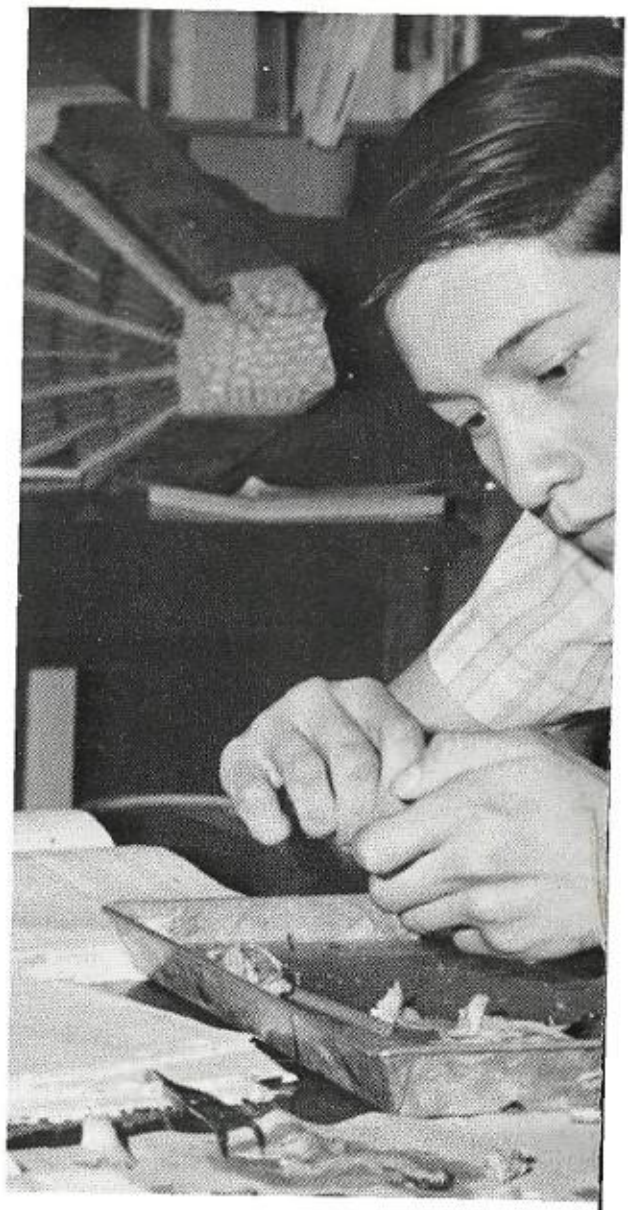
V.I.C.A. students work hard to understand the lesson correctly.



All girls hoping for a secretarial job attend typing classes.

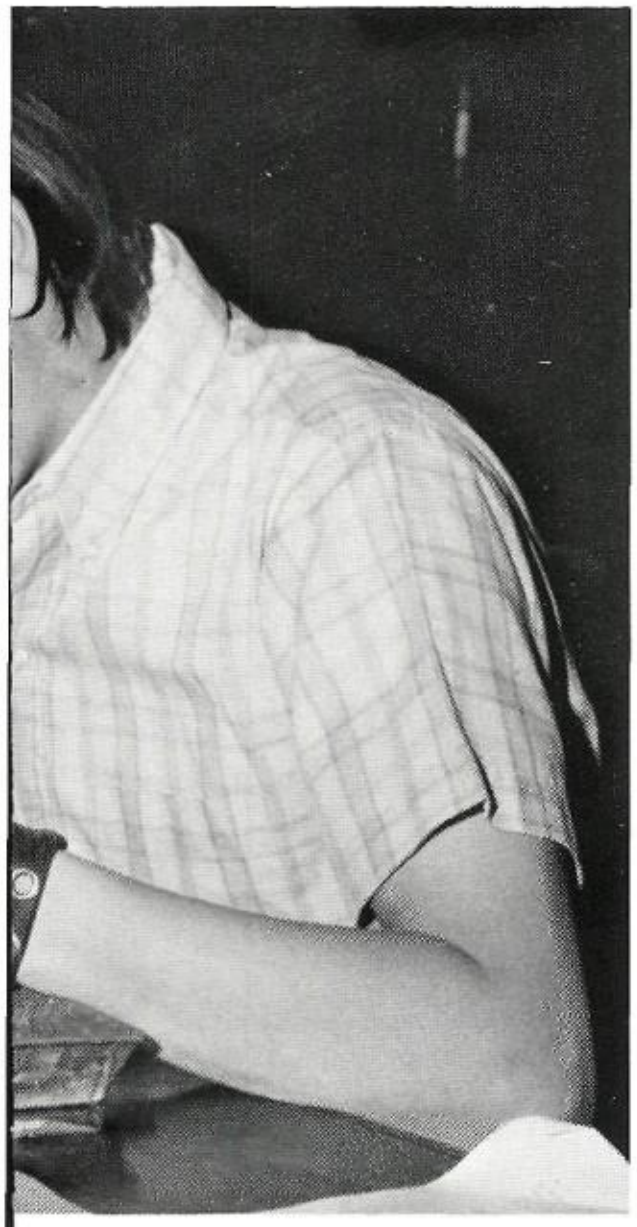


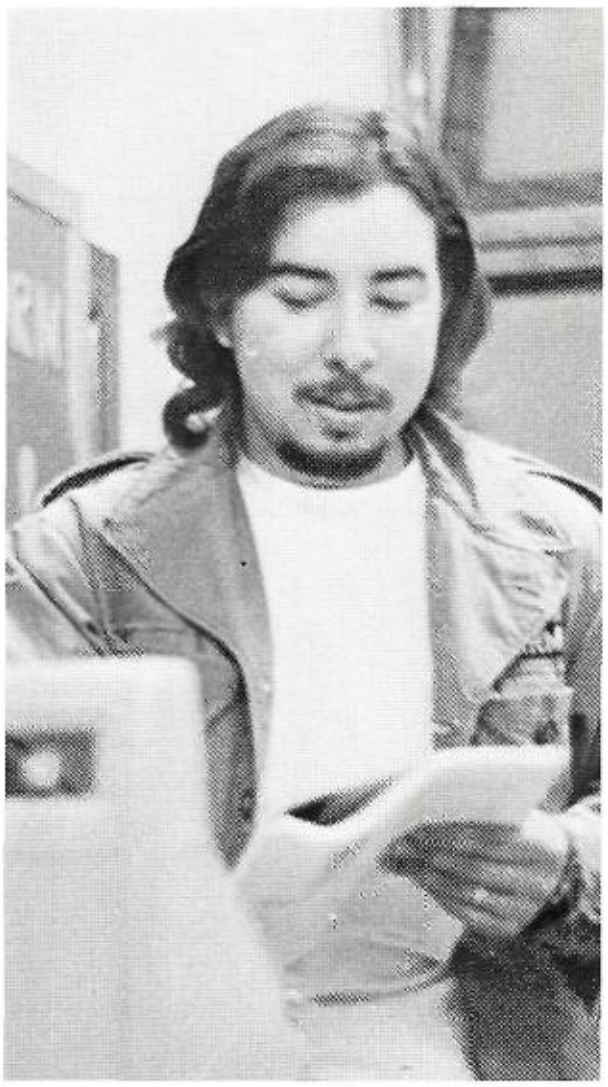
Secretary Bessie Hopkins looks through files to obtain information on a student.



Miss Moore helps D.E.C.A. students understand the operation of a cash register. All students attending courses covered must also work at least fifteen hours a week to receive full credit.

Opportunities Found in Night School





Students in D.E.C.A. learn the operation of machines involved with business.

Student in center is Andy Gonzalez who has purchased a yearbook every year since attending night school.

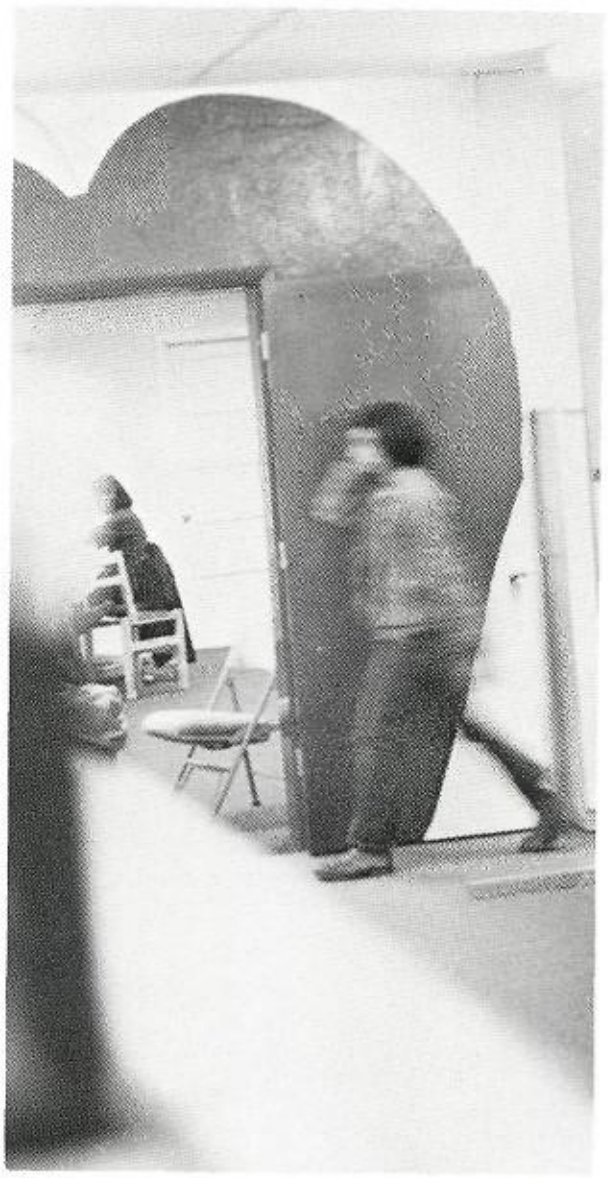
School on Wheels is a Proven Success

Two years ago the Albuquerque Public Schools decided to start a school designed to give high school dropouts another chance to graduate. The school was named School on Wheels.

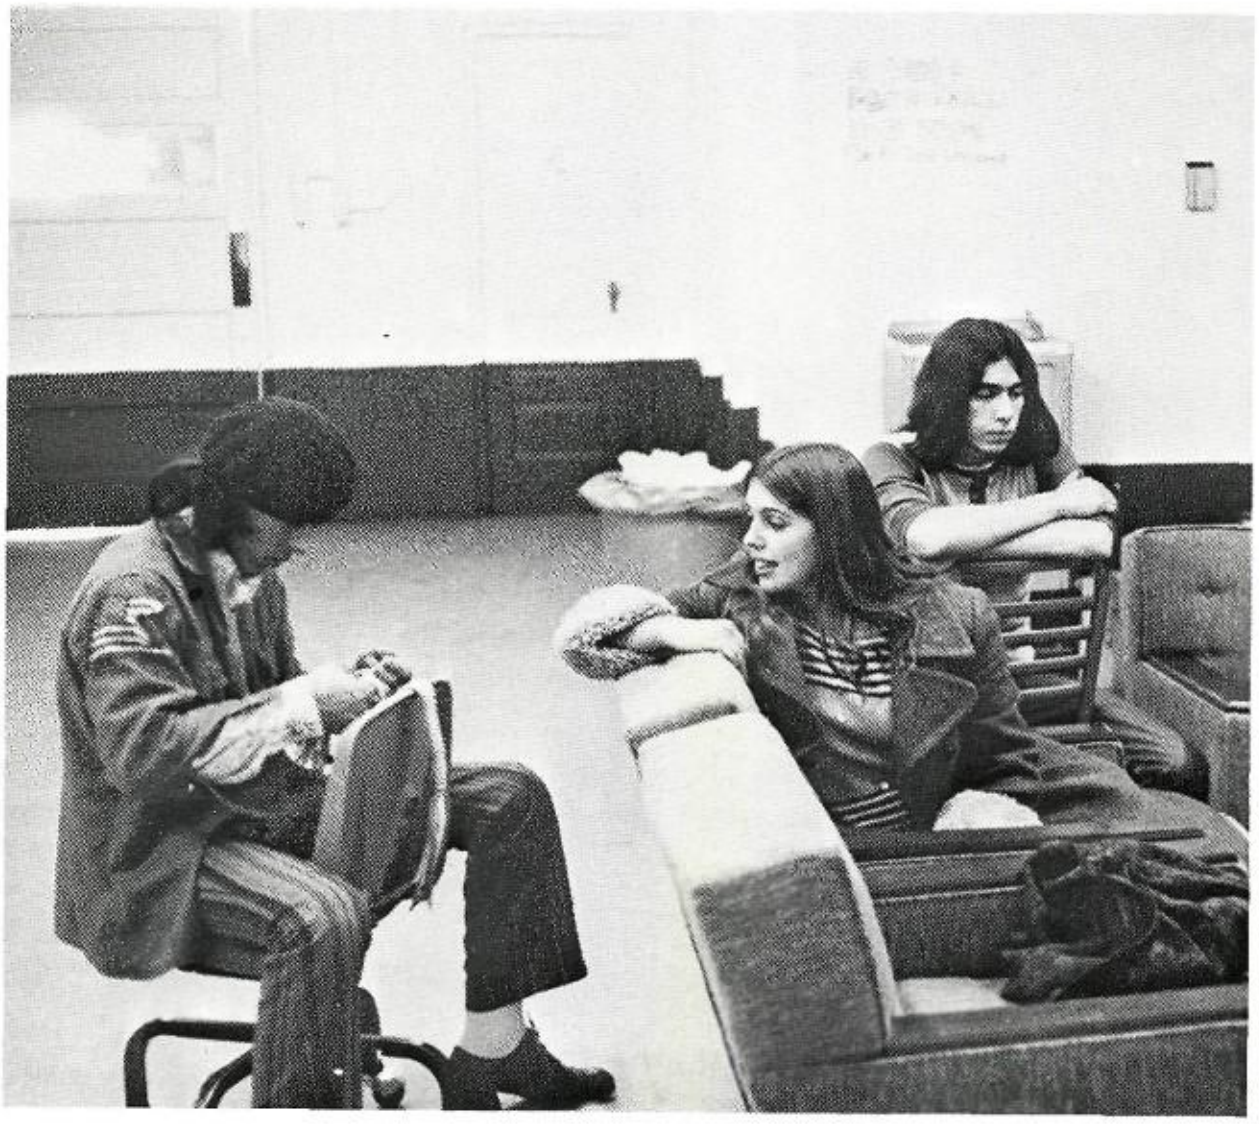
It was founded by the Department of Labor, in an effort to meet the dual goals of the students, working and learning.

School on Wheels has proven a success; this year's graduating class is five times that of the first graduating class. Mr. Richard Romero is the coordinator and works with a staff of six hardworking teachers.

Learning by means of discussion is a regular part of School on Wheels.



Knowing that he is late, a student hurries to get to class.



Students of School on Wheels take it easy before going on to their next class. Students have a chance to talk to each other during this time.

A game of chess can be as educating as any regular class.

Keys
that jingle in your pocket;
Words that jangle in your head.
Why did summer go so quickly? Was it
something that you said? Lovers walk along
the shore And leave their footprints in the sand.
Is the sound of distant drumming just the fingers
of your hand? Pictures hanging in a hallway and
the fragment of a song; Half remembered names
and faces, But to whom do they belong? When
you knew that it was over You were suddenly
aware That the autumn leaves were
turning To the color of her
hair.

Young Harriers Bolster Team

1972 Cross-Country team members were: (kneeling l to r) Donald Black, Charles Ortiz, Dennis Aragon, Larry Walker, Herman Chavez and Randy Isler. (standing l to r) Charles Aragon, Dennis Cavalier, Anthony Alfaro, Frank Archibeque, Mike Gallegos, Herb Sneedy, Tom Lopez, and Coach Medley.

The A.H.S. Cross-Country team was essentially a very young group. There were only two seniors out of thirteen team members. The 1972 team was led and captained by Mike Gallegos. Gallegos had a very successful season, culminating in a seventh place finish in the Dist. 2AAAA Cross-Country meet. Through their practice and participation the underclassmen gained much valuable experience that will be needed for their upcoming competition in the distance running competition. A majority of the team is expected to return next year.

above: Spirit and determination show on the faces of the team as they break through a fine season.

Discounting pre-season ratings, A.H.S. escaped the district cellar and ended in a tie for sixth place in the 9-team district 2-AAAA race. Led by ten senior lettermen and few returnees, the Dawgs suffered through early season adjustments and when they finally got untracked, came up with three impressive wins. Despite their 3 win, 7 loss record, it was common knowledge that the squad was one of the more outstanding teams in the city. The three victories were the most wins recorded by an A.H.S. team since the 1969 football campaign. Quarterback Steve Marquez was listed as one of the city's leading passers, and Boni Lucero, Wendell Sweet and Larry Williams were voted into the All-City teams.

Gymnasts Achieve Success First Season

In the first year of team competition the gymnasts proved to be some of the finest in the state. After only eleven months of practice and preparation the team began its competition. Two seniors competed with the squad. Eugene Espinosa specialized in the side-horse and vaulting events, while Clarence Marquez mastered the still rings and the even parallel bars. Steve Ortiz was the teams' top athlete, and is one of the New Mexico state all-around champions. The team held an exhibition assembly in order to display their talents, to encourage the student body to attend the meets and to invite interested persons to join the team. Eddie Burch and Fred Cardenas, UNM gymnasts assisted Coach Baca.

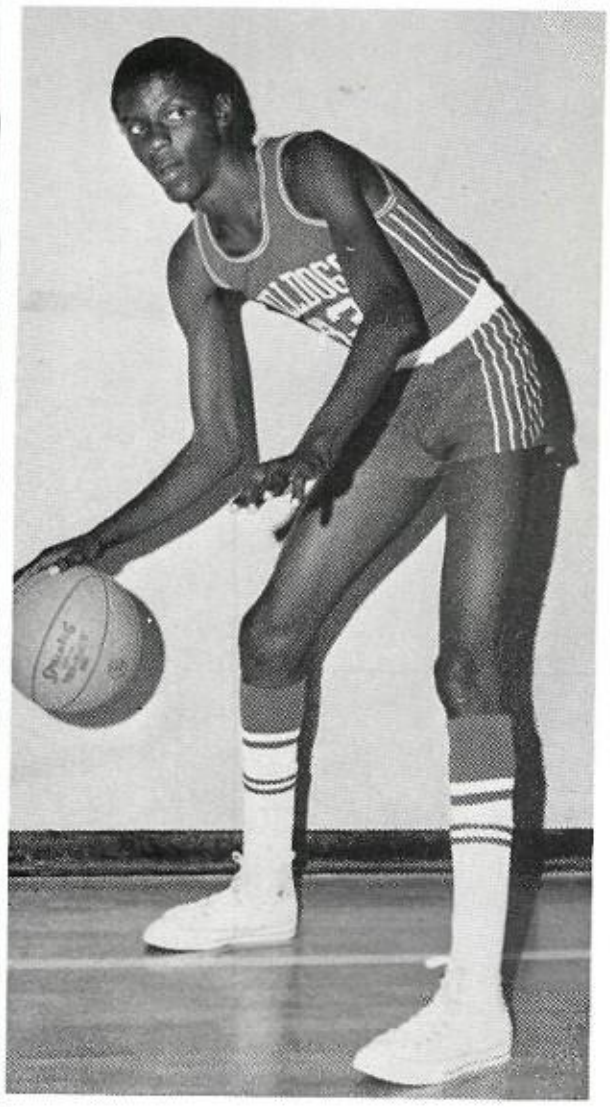
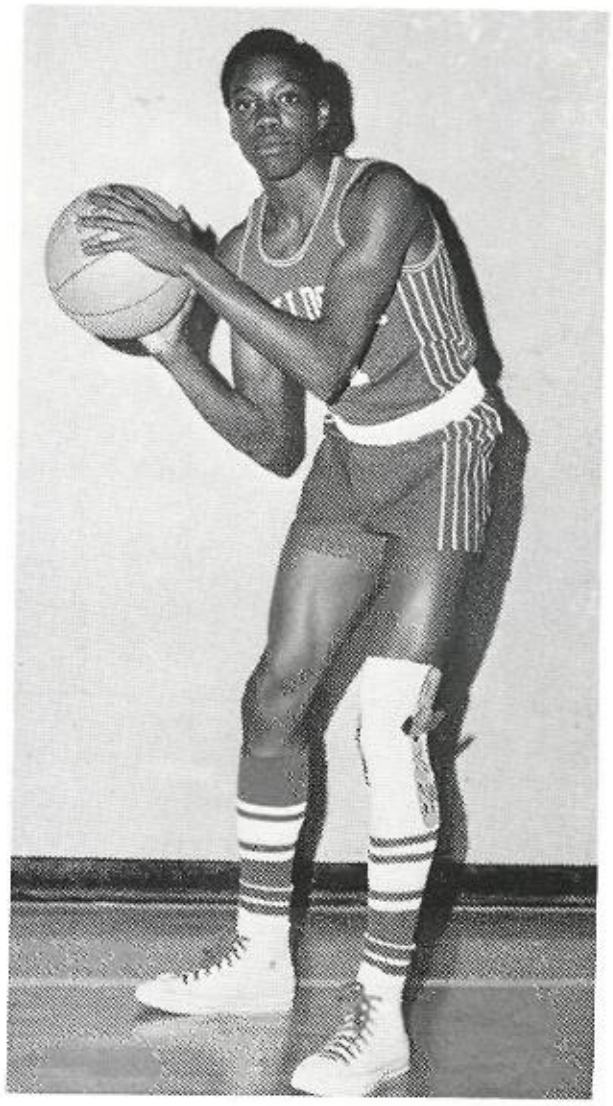
Jim Connors



Andre Gandy



For the third year in a row the Bulldog basketballers were selected as one of the finest teams in the state. Pre-season polls posted a second place district finish, and awarded them the fifth place slot in the statewide Class AAAA ratings. Sportswriters based their selection on the fact that Coach Jim Hulsman's charges would be made up of seven returning lettermen, six of them coming off last year's state runner-up team. Jim Connors was the only returning starter, but the other five saw plenty of action throughout the season.

December saw the Dawgs start out well as they gained a third place finish in the El Paso Austin Tournament. Wins over Patterson and Cathedral High Schools put the AHS five into the semis against eventual champs Austin Panthers. That loss set up a third place clash against EP-Jefferson. The next two week-ends saw the Bulldogs win four more against Pass City fives. The Christmas break found A.H.S. with a 7-1 record.

Coach-of-Year Award Goes to Jim Hulsman

Coach Jim Hulsman listens as his able assistants Jess Miranda and Abe Estrada alert the team to offensive and defensive changes that can be made in order that the Bulldogs can maintain their lead over the Gallup Bengals in the opening game of the State Tournament.

The personable Coach Jim Hulsman was named as the Coach-of-the-Year for his talent in preparing another great basketball team.

For the second time in 4 years, Coach Jim Hulsman was named Class AAAA Coach-of-the-year. Coach Hulsman has done what only few coaches in the state have accomplished. After taking the head spot in 1968-69, Coach Hulsman has compiled an unbelievable 111 win, 21 loss record over 5 seasons. Also to his credit are one State Championship Team, three times as many runners-up in the state finals, and the only coach to have had a team competing in the championship game four consecutive years. Through these years his teams have also won four straight regular season championships, and won the University of Albuquerque Tournament three years in a row, retiring the traveling trophy, and giving it a permanent home at A.H.S.

This year, the Bulldog team was picked to finish third in district, but came up with the regular season and tournament championships. The 'Dogs placed second in the state after beating Hobbs, and Gallup.

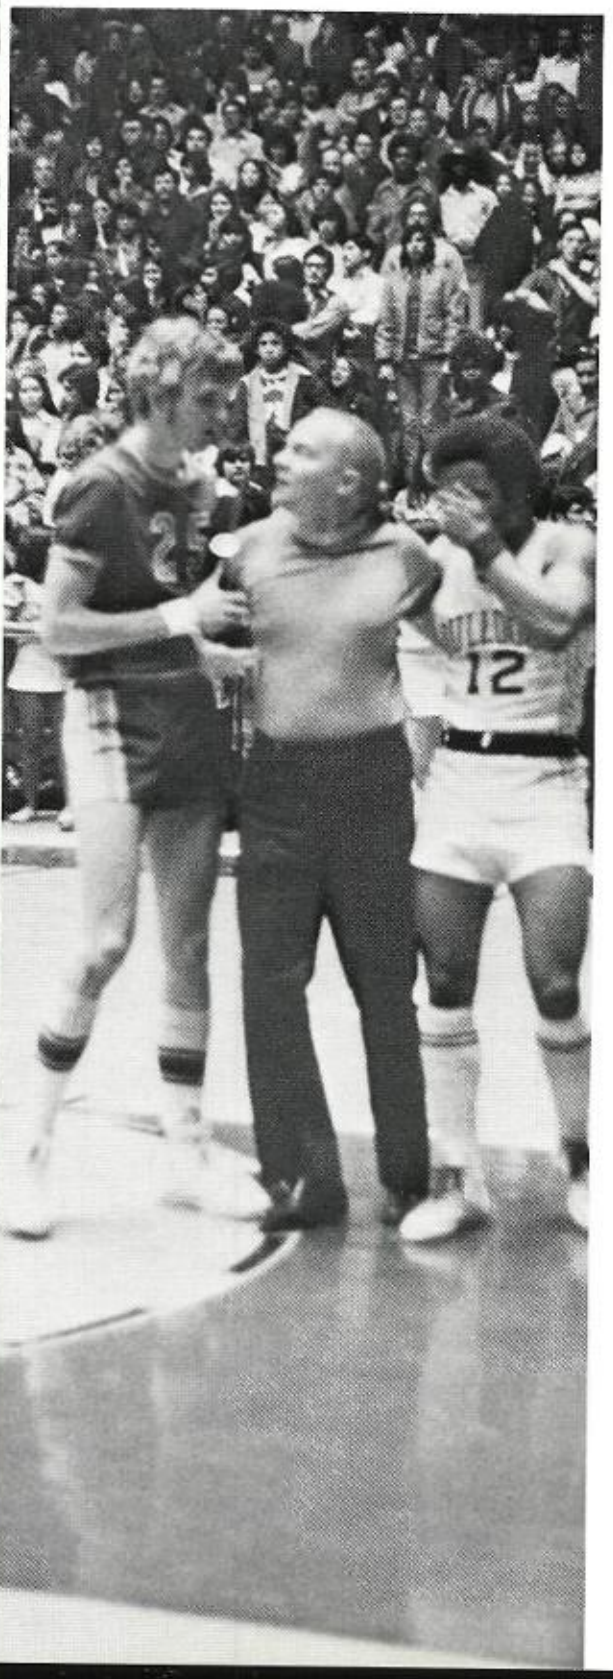
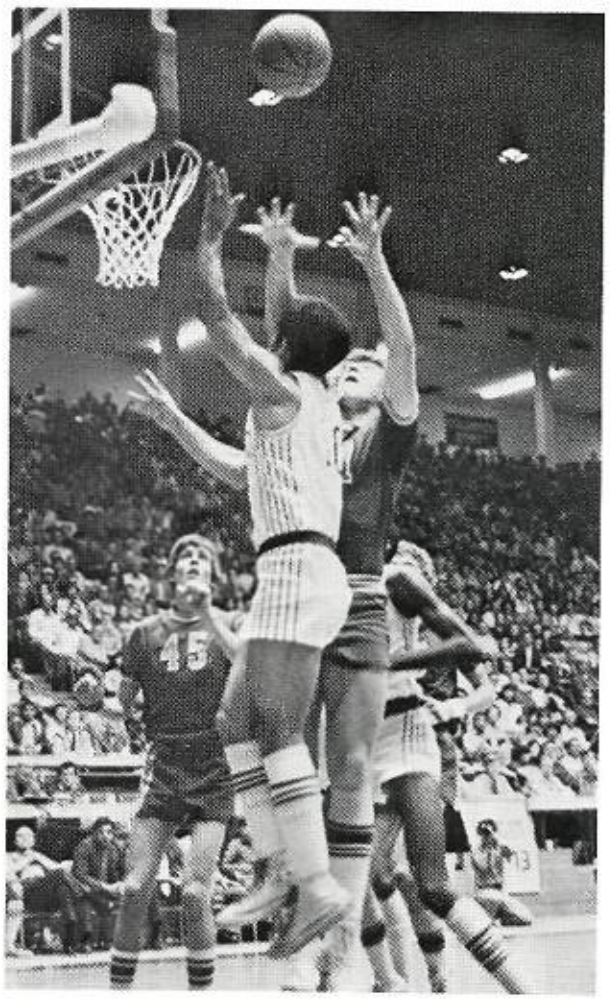
The Bulldogs fighting varsity did what was thought impossible during the 1972-73 basketball season by going all the way to the finals of the state tournament. Pre-season polls listed the Bulldogs third in the ratings, but were to be proven wrong as the season progressed. The 'Dogs came up with thrilling and impressive victories in all but three games. Their final season record was 26-3. One loss was an early season defeat at Austin-El Paso. Manzano was the only other team to defeat the 'Dogs, once in the early season and again in the finals of the State Tournament. A district record of 15-1 put the team into the state tournament where they recorded unbelievable wins over third ranked Gallup, and second ranked Hobbs. The exhausted 'Dogs were nipped in an overtime game in the finals of the tourney by Manzano. Larry Williams, Tom Maestas, and Richard Jenkins were named to the all-tourney team. Rick Giron was listed as honorable mention. The bitter defeat left its mark on many people, but true sportsmanship was maintained.

Albuquerque Journal sportswriter Jerry McDaniels summed up the sentiment of all Bulldog fans with the following lines in a post-state tournament article; "The Monarchs are the state champions, but—ah, those Bulldogs!"





Rick Giron does his share of the job on the defense against the Manzano Monarchs. The defense always proved effective.

Junior-Varsity Has Impressive Season

B-Team basketball has become one of the major sports attractions on the A.H.S. campus. Under the leadership of head J-V coach, Jess Miranda, the team recorded several important victories over many of the top teams in the city and the region. The team was paced by several members who also did double-duty by filling in on the varsity roster. Among the top players on the squad were Steve Maestas, guard; Ron Padilla, forward; Eric Gandy, guard; Jerome Padilla, forward; and Jesse Cleaver, center.

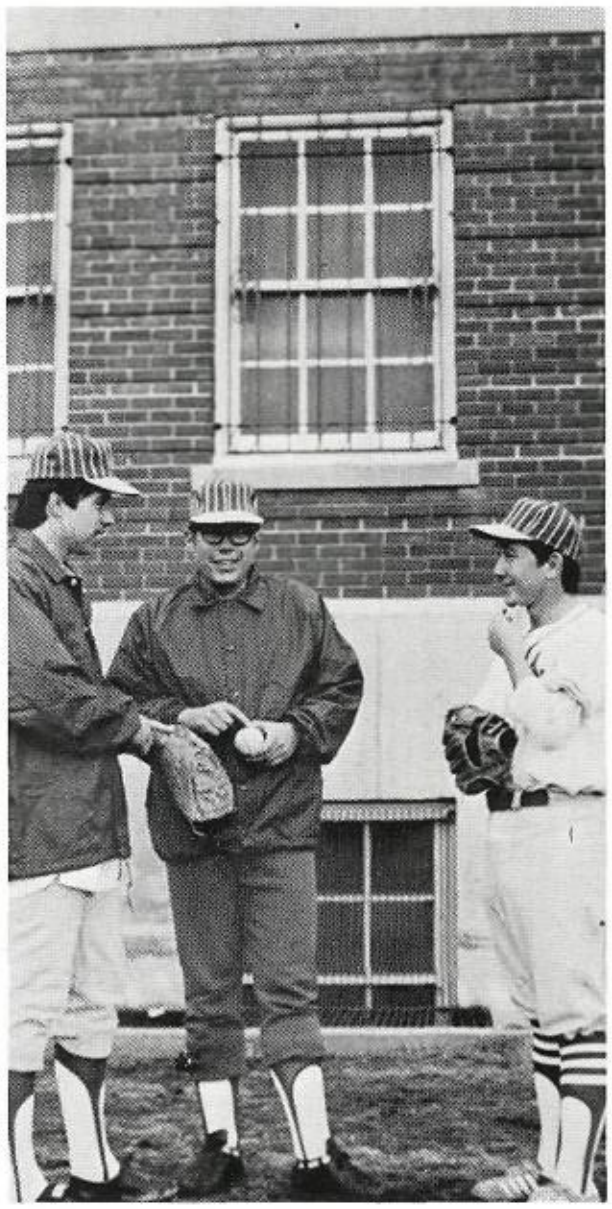
Starting Positions Held By Senior Baseballers



A new and different approach to baseball proved to be the needed incentive that has moved the Bulldog baseball program up from several winless seasons to the district race challengers they have proved to be. Coach John Sanchez holds the position of head coach, this is his second year in that spot. Several senior lettermen staff the starting position on the team.

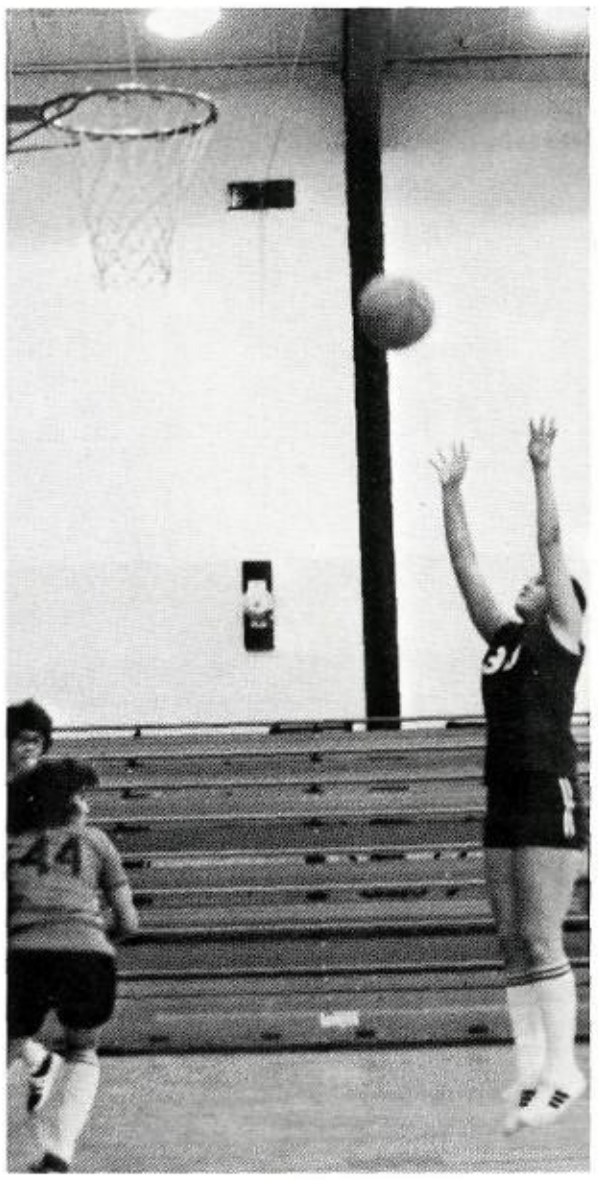
Volleyball, Basketball Are Top GAA Sports Events



The A.H.S. Chapter of the Girls Athletic Association was sponsored and coached by Miss Freda Sandell, girls physical education instructor. Becky Ortiz was the only returnee who had lettered in the sports club. G.A.A. financed all of their own activities by sponsoring a G.A.A. vs. Women Teachers Basketball game. There were traveling costs and tournament fees to pay from the earned funds. The teams competed in volleyball and basketball.

Athletes listen attentivly as Coach Medley talks of A-Clubs future projects which will involve all members of the club.

Athletes Win Many Honors For AHS

Active Albuquerque High athletes made up one of the outstanding clubs at A.H.S. These members of A-Club are athletes who have devoted their time and efforts to bringing recognition to A.H.S. One of the more enjoyable projects for A-Club is the annual steak fry held in May. When these athletes were not participating in a sport they were out cheering for their fellow athletes. Track coach Ken Medley sponsored A-Club this year.

Much hard work and practice goes into being a cheerleader; all the cheers have to be practiced many times. At a game at West Mesa the Varsity Six do a great cheer and keep the crowd spirit going.

Vivacious Six Lift AHS Spirit

Leading school spirit for the year '72-'73 were six outstanding cheerleaders; Anita Edmond–Head, Sylvia Montoya, Vivian Foster, Kathy Garcia, Ruby Muller and Janet Wright. These girls worked hard to be able to perform their cheers well! Most of the spare time these girls had was taken up in preparing for and attending different athletic events.

A Spirit Stick was won by The Varsity Six at a clinic which was held at University Arena. In addition to the session at UNM, they attended a cheerleading clinic in Clovis. Miss Sandell sponsored Varsity this year as well as B-Team.

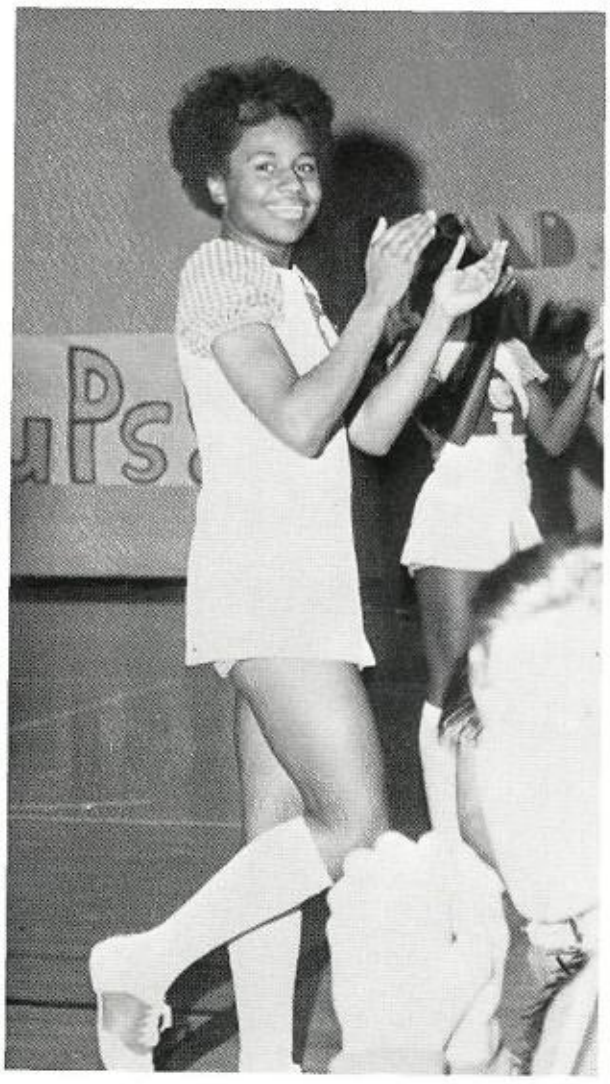
Many practice sessions such as the one above were needed throughout the year in preparation for games and other events.



Head cheerleader for the A.H.S. Bulldogs this year was Anita Edmon who here leads a cheer at a home basketball game.

Hard Work Keeps Bulldoggies On Top

Thirteen hardworking and energetic girls made up a fine group of Bulldoggies. They performed at every home game at half-time; and in addition to these duties, they also held the score cards at gymnastic meets.

One of the highlights for the girls was a trip to Denver to perform at a Denver Rockets game. The trip was made possible through hardwork and donations by fellow students. To make money the girls sold candy canes, candy apples, lemons, and baked goods; and they had two car washes.

Miss Postlethwait sponsored Bulldoggies. Melvin George, a personal friend, accompanied the Bulldoggies.

Enthusiasm Describes B-Team

Out of the many Sophomore and Junior girls running for B-Team only six were chosen to represent A.H.S. Terry Padilla headed this team of enthusiastic and energetic girls.

After only a short time of practicing together they assumed the many duties of cheerleading and performed in a pep assembly. These girls also cheered for all B-team athletic events.

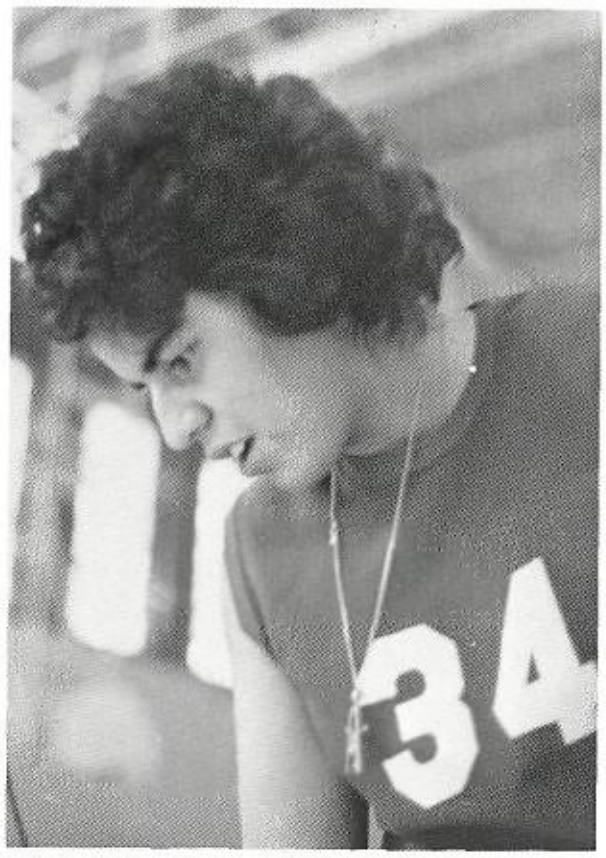
Girls Sports Means of Participation

The Girls Athletic Association of Albuquerque High had an eventful year full of many successes. The approximately thirty girls competed with other girls teams in both volleyball and basketball. The basketball season was capped in February with the annual Faculty-Student Basketball Game.

A regular volleyball game becomes a fast moving game of skill as the girls team is on the move.

Members of G.A.A. gather around their sponsor and coach, Miss Sandell. G.A.A. gives girls who are athletically inclined an opportunity to participate in athletic events against other girls.



Officers for G.A.A. for '72-'73 were from left to right; Sherry Lyon, Becky Ortiz, Vickie Gutierrez.

Three Seniors Lead Council Activities

Student Council had many obstacles to deal with throughout the year. The Council was beset with financial difficulties and so the students worked hard all year to not only relieve the deficit, but also to acquire new funds to increase activities.

The hardworking trio in charge of all this was Joe Samora, President; Cathy Williams, Vice-President; and Cheryl Agnes, Secretary-treasurer. They were assisted by all the other class officers and members of Student Council.

Attendance was very good at most student council meetings. The council had a large candy sale at Christmas time in an effort to raise money. There were 60 active members in Student Council.

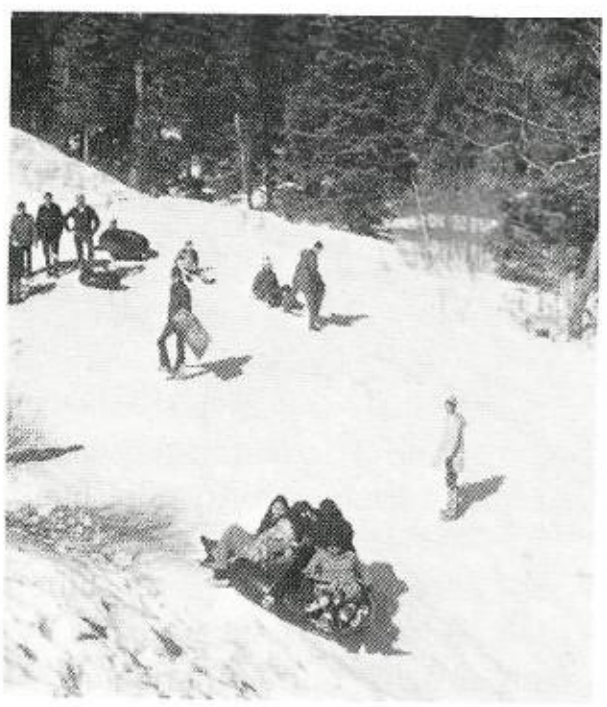
OEA Aims for Good Bus. Skills

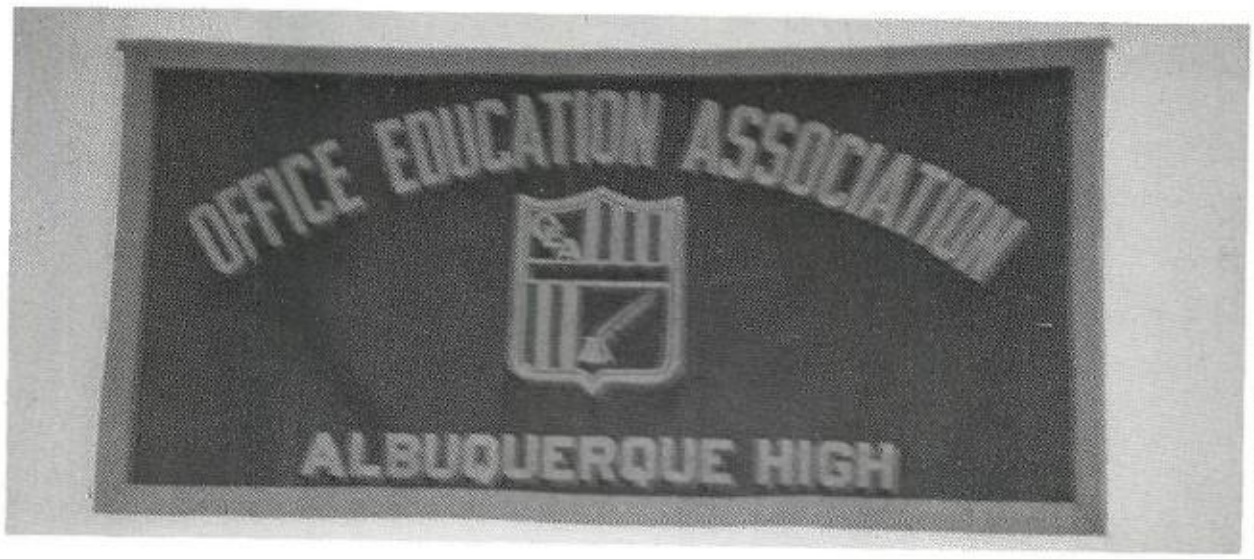
O.E.A. is a national youth organization dedicated to serving students enrolled in vocational occupations education. A 1972 graduate of Albuquerque High School, Tillie Barela, presided over the national organization of over 40,000 members.

Janie Perry, president of O.E.A. is also regional vice president. She is assisted by Pauline Carter, vice president. Miss Dixie McGehee is sponsor.



Fun and more fun was on the agenda for the tubing party.

The O.E.A. emblem stands proudly on the wall of a business education class. This is the fifth year of the O.E.A. chapter.



Open house was held by O.E.A. in October for all interested persons.

O.E.A. members study hard to learn their skills correctly.

Band Brings Honor to AHS

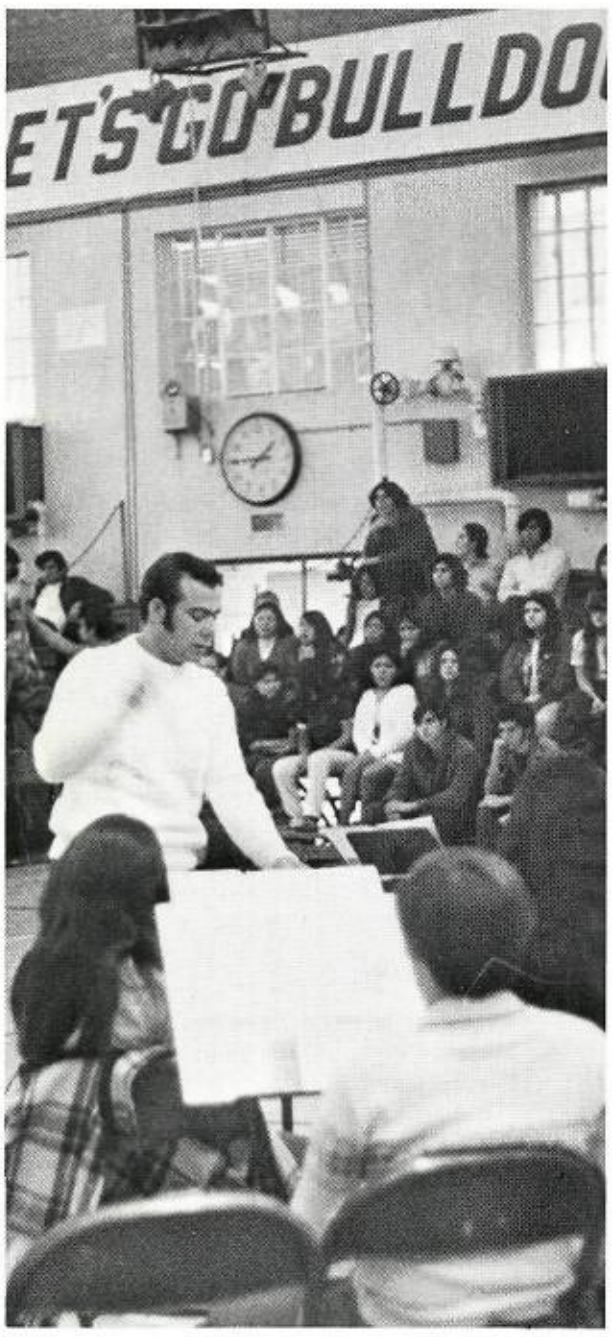
Band is composed of different bands all with their own accomplishments. Mr. Conlon headed the Music Dept. and sponsored all bands.

The Albuquerque Marching Band performed in the Christmas Parade and walked away with a first place trophy and the sweepstakes.

The Showtime Band was introduced to the A.H.S. student body during the La Reata assembly. Later in the year they gave a concert playing all the latest popular rock tunes. Jerry Blea was band leader; Morris Huling, vocalist.

Holding band trophies are from left to right: Wyatt Moore, Drum Major; Vickie Gutierrez, Treasurer; Cheryl Agnes, Secretary; Joe Russey, President.

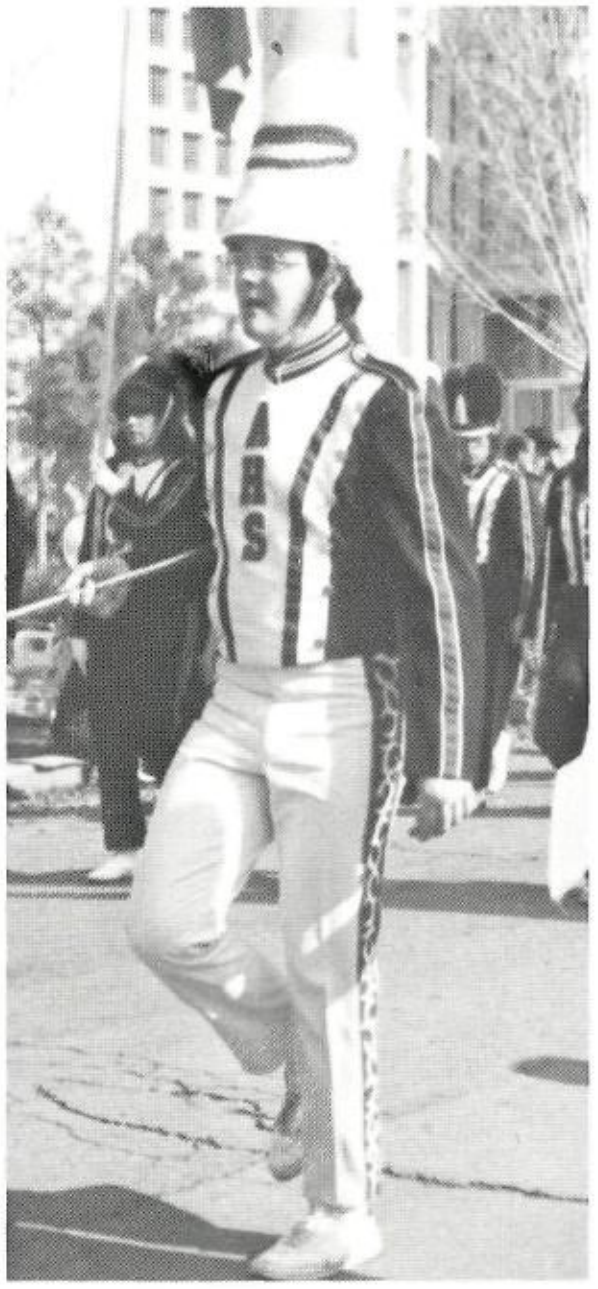
Showtime band is introduced to the student body for the first time during the La Reata assembly in September.



Mr. Conlon directs the Pep Band during a football Pep Assembly.

Under the direction of Mr. Conlon the Bulldog band entertains during an early assembly. The band also performed for many other special events and for many athletic events as well.

The Albuquerque High Marching Band marches proudly in the Christmas Parade in which it was awarded first place and the sweepstakes.



Drum Major Wyatt Moore leads the A.H.S. Marching Band to honors.

School Paper Produced by Record Staff

This year's RECORD was sponsored by Mrs. Vivian who had twelve very helpful people on her staff. Rose Garcia and Joni Barth shared major responsibilities as Co-Editors-in-Chief.

The RECORD had the distinction of being the only high school newspaper being printed on the A.P.S. press. A copy of every edition was sent to the parents of every A.H.S. student by mail.

The RECORD supplied detailed information on all the happenings at A.H.S.

Mrs. Vivian picks up a load of RECORD copies and starts looking for the nearest mail box. Over a thousand copies are sent to homes.

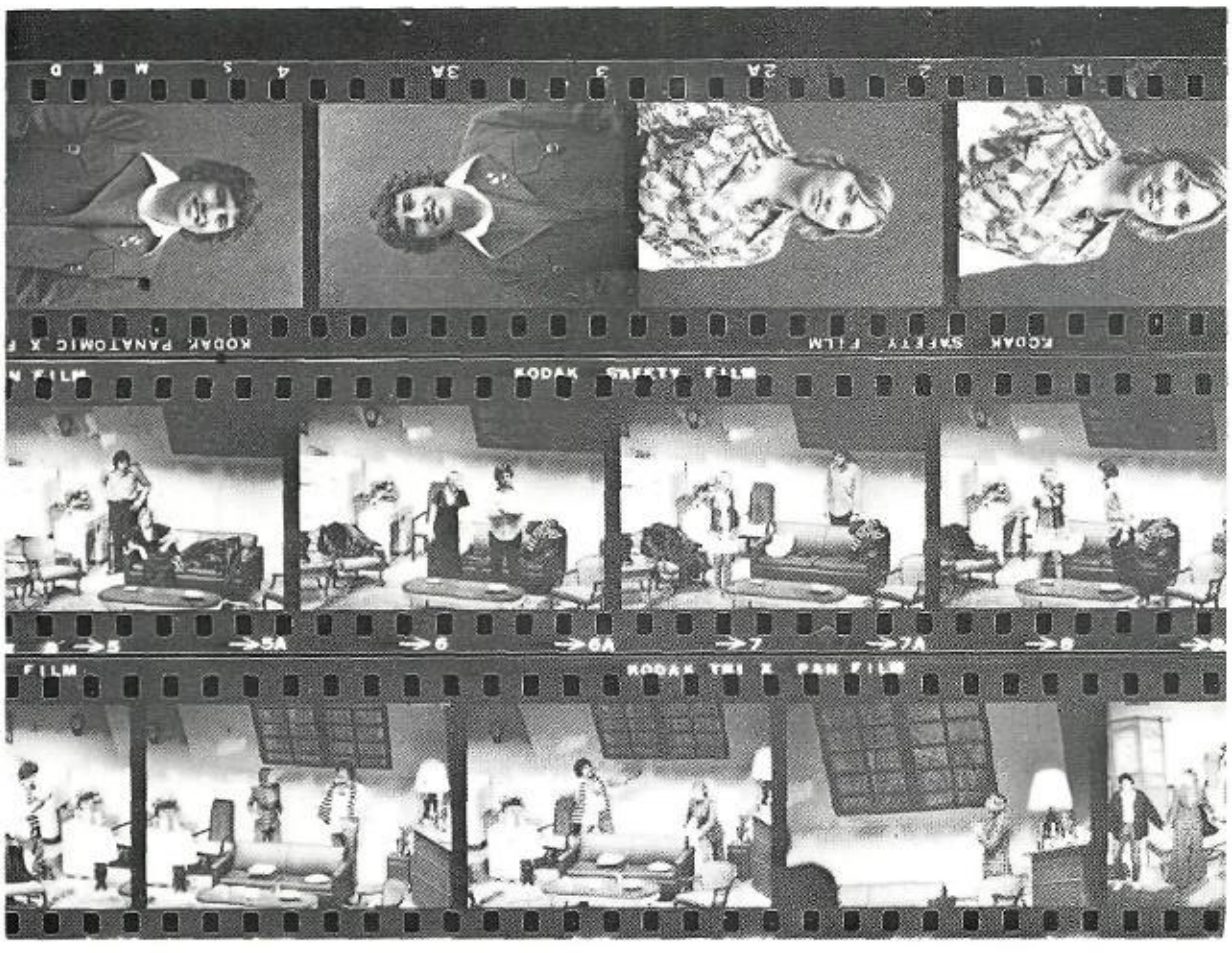
The entire RECORD staff takes time to work on the folding and addressing of RECORD copies to be sent to parents of students here at A.H.S. This is done so parents may know what's going on at school.

Thespians Perform Play First Sem.

Acting, and acting and acting? No! This year's Drama Club took active participation in many more fields of drama and theater other than acting. Close to 40 students discovered make-up, play-writing, stage building, and many different parts of theatre. Students who took part in the BAREFOOT IN THE PARK play became members of the National Thespian Society.

Mr. Sam Tapia, director and teacher, took students to dramatic performances throughout the city. The Drama Club performed at U.N.M.'s Southwest Theatre Festival and at N.M. State's Drama Festival.

The fund-raising projects for drama were plays, a talent show and a Film Festival.



The scenes of BAREFOOT IN THE PARK are beautifully performed by Sue Goodson, Kim Killion, Eddie Jaramillo and Joe Samora.

Usherettes for BAREFOOT IN THE PARK are: (standing) Patsy Padilla, Carlotta McDaniels, Lydia Sanchez, Lulu Baca, Mary Pimental, Margaret Romero, Belinda Anaya, (seated) Patsy Gallegos, Debbie Martinez, Tina Pederson.

Mr. Tapia steps out from the wings to direct a scene.

Small Staff Works Conscientiously

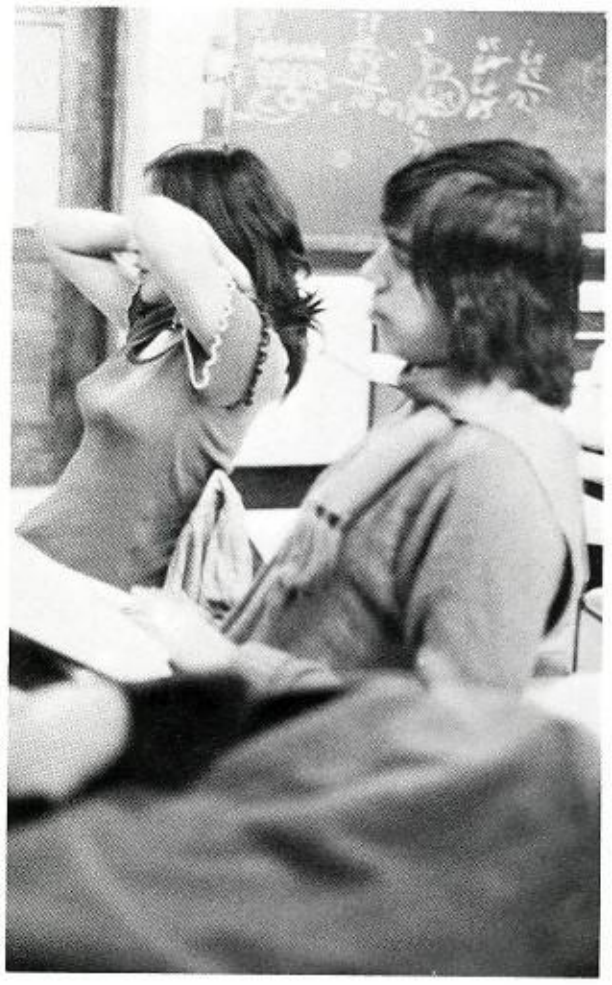
Mrs. Rose Marie Myers was the sponsor of the La Reata for 1973. The annual staff consisted of only nine interested students, which meant plenty of hard work for all.

"Wheel of Life" was chosen as the theme because the staff felt that life is a never-ending cycle, full of repetitious experiences.

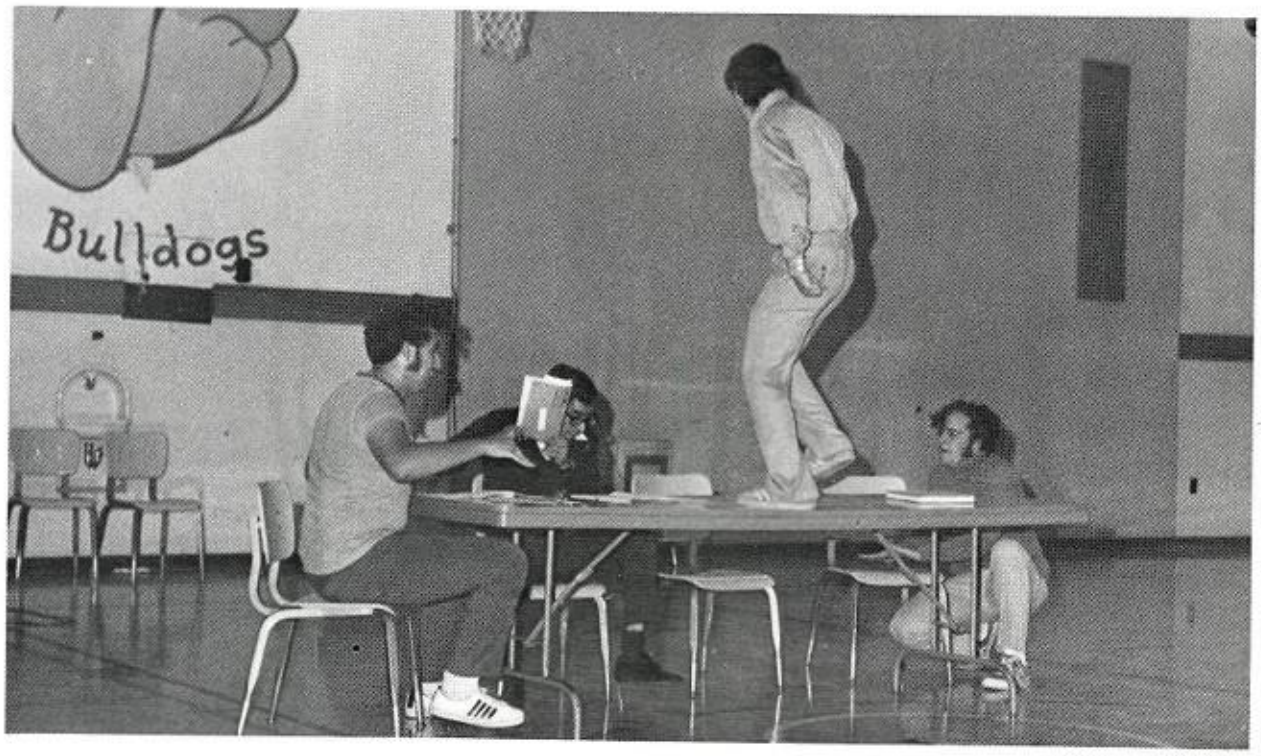
Fund-raising projects consisted of a lemon sale, roller skating party, class pin sale and the selling of old yearbooks. This year's editors were Pam Baca and Joe Cisneros. Terry Garcia was Business Manager.

Ironing out problems on captions are Mrs. Myers and Leroy Gonzales.

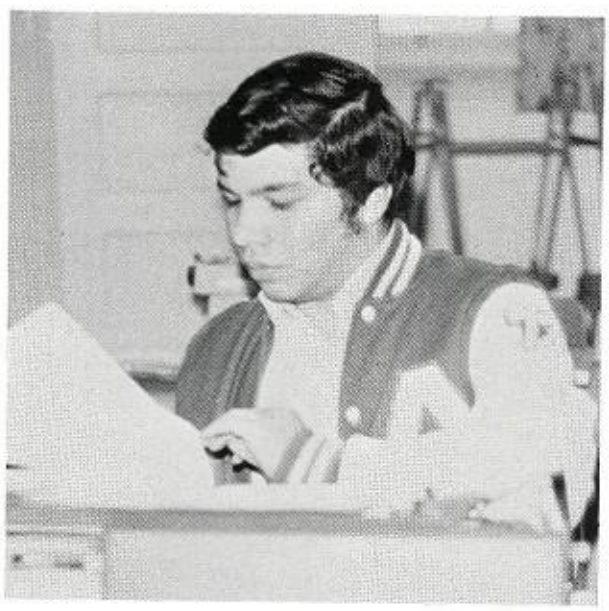
Ron Romancito and Vivian Platero listen intently during a staff meeting.



Members of the Apathy Band, Frank A. Chavez, Anthony Griego, Louis Quintana and Wyatt Moore graciously assist the staff at the La Reata Assembly.



Copy editor, Joe Cisneros, works busily at his typewriter to create copy for the yearbook.



Pam Baca, Layout editor, spends a few minutes working on captions.

Two from AHS Gain Staters Offices

In June the Staters from Albuquerque High attended a week-long session on government operations which was sponsored by *American Legion*.

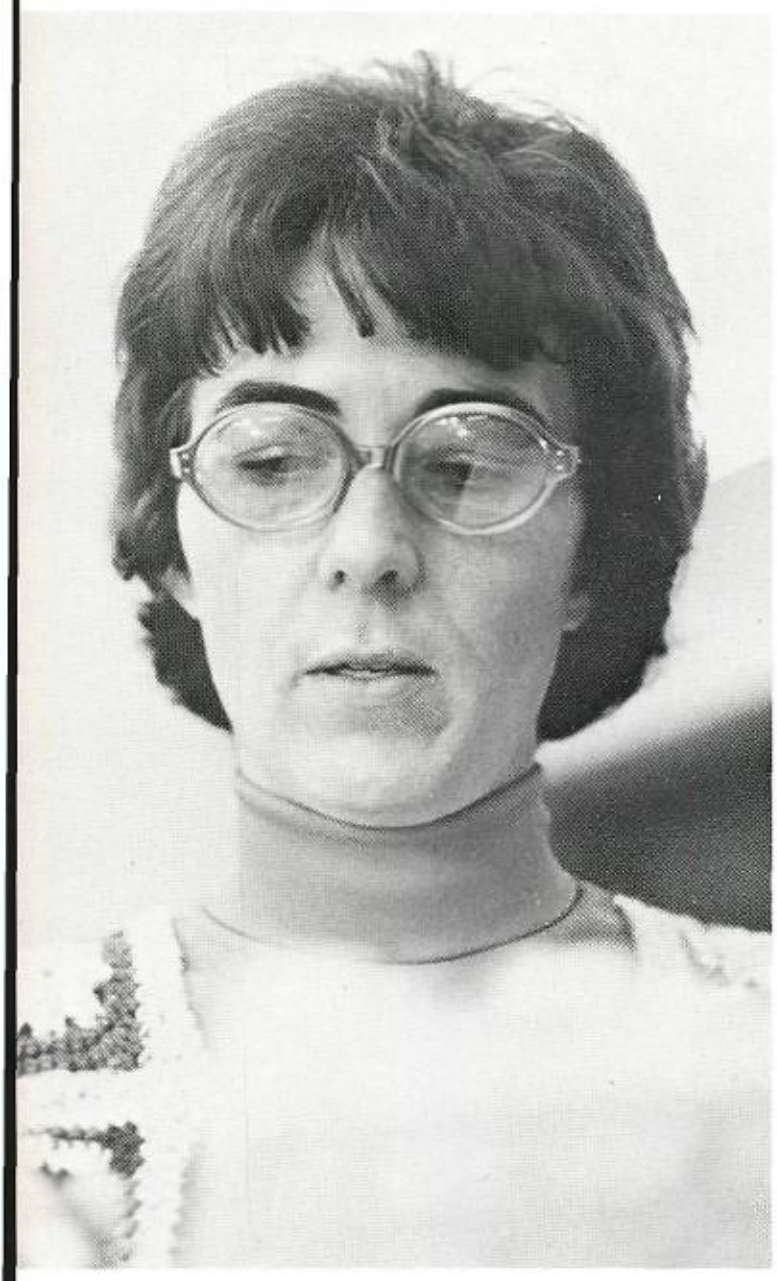
Girls State was held in Las Vegas, New Mexico on the Highlands University campus. Kathy Williams was chosen Chief Justice of the Supreme Court.

Boys State was held in Roswell, New Mexico on the New Mexico Military Institute campus. Joe Samora was chosen Lieutenant Governor.

Twelve girls and boys were chosen as the staters to represent Albuquerque High.

Mrs. McReynolds, the sponsor of Staters, had a party in her home at Christmas time where all the Staters had a good time.

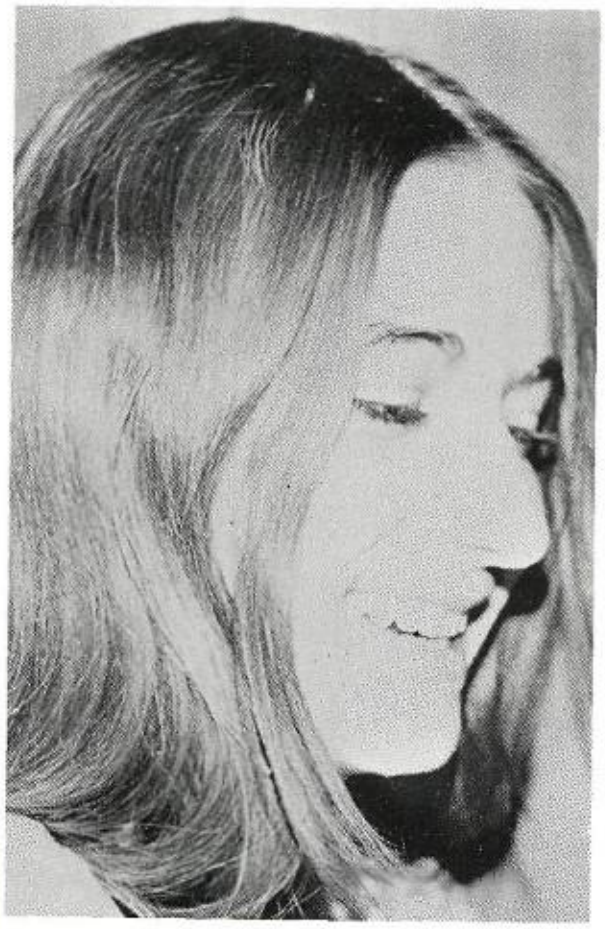
Staters from left to right first row: Sharon Dampf, Alesia Perry, Elva Sedillo, Becky Ortiz, Valerie Webb, and Kathy Williams. Second row: Eugene Espinosa, Wyatt Moore, Anthony Griego, Damon Tobias, Louis Quintana, and Joe Samora.

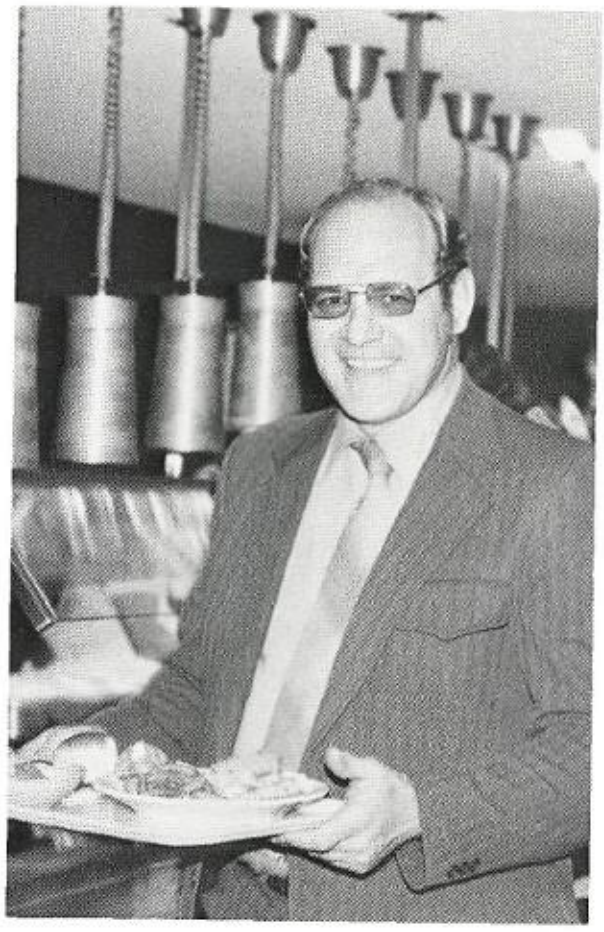


Staters appreciate all the time and effort given to them by their sponsor Mrs. McReynolds.

Alternates from left to right first row: Judy Santiago, Cathy Large, Rose Garcia, Cheryl Agnes, Joby Mitchell, and Debra Garcia. Second row: John Rivera, Allen Montoya, Eddie Jaramillo, Frank A. Chavez, and Joe Cisneros.

Hard Work Characterizes V. I. C. A. Club



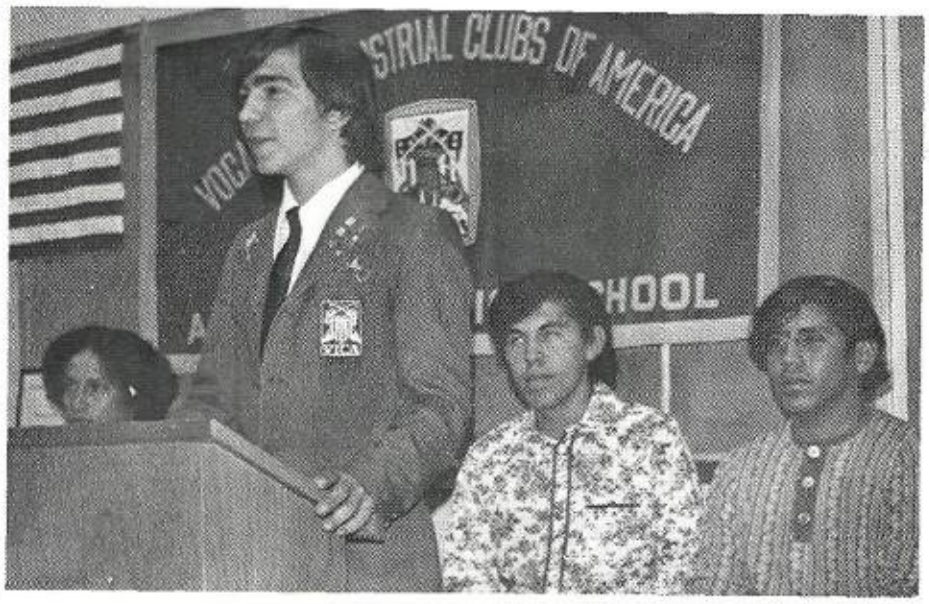


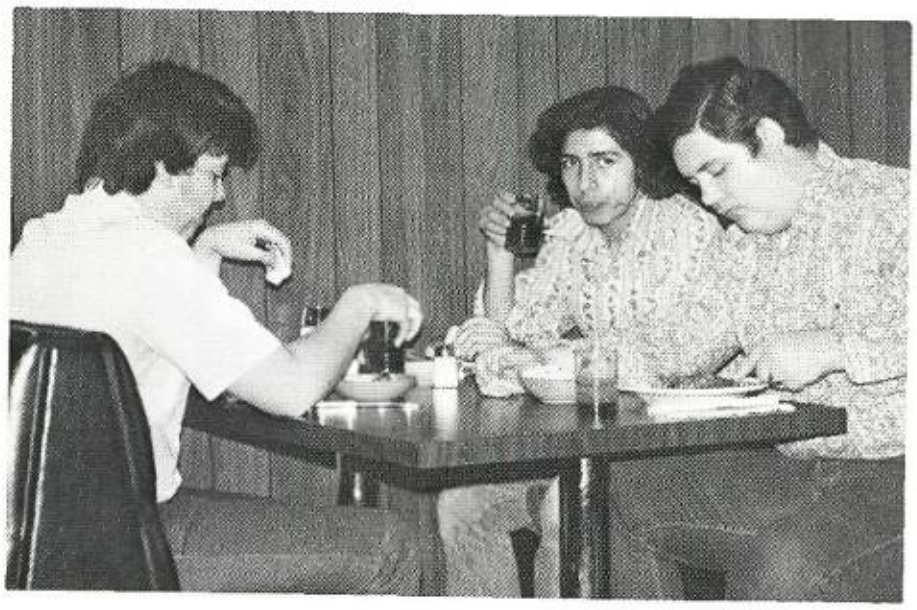
Roxann Vaughn was the Treasurer of V.I.C.A. Club.

Mr. Hinkle smiles at the prospect of eating a hearty lunch.

Sponsoring this year's V.I.C.A. was Mr. David Palmer. Officers were as follows: President, Jerry Romero; Vice-President, Juan Gutierrez; Treasurer, Roxann Vaughn; Secretary, Mike Campos; Reporter, Eugene Chavez; Parliamentarian, Doug Goad.

Fund-raising projects consisted of a car wash, roller skating party and the selling of boxes of candy canes. There was a State Convention in spring at Portales, and also a luncheon was held for the club at the Royal Fork during Christmas.





Above: Here a State V.I.C.A. member initiates Steve Archibeque, Jery Romero, and Clarence Campos into the organization. Below: Jerry Romero, Juan Gutierrez, and Rick Zamora work at the V.I.C.A. car wash held in October 21, 1972.

Candlelight Ceremony For FHA Initiation

The officers of F.H.A. this year were Anita Lucero, President; Mary Jane Archibeque, Vice-President. Mrs. Shock sponsored Future Homemakers of America once again this year. Fund-raising projects included selling Sachet bowls and stationery. F.H.A. also helped needy families with Christmas baskets of food. Officers and new members were initiated in a special meeting on December 19, with a candlelight ceremony.

This year's officers of F.H.A. are from left to right: Lena Castillo, Treasurer; Cathy Sanchez, Secretary; Mary Jane Archibeque, Vice-President; Anita Lucero, President.

Sophomores Paint Bench for First Time

A first for not only the Sophomore Congress but for all of Albuquerque High was the painting of the Sophomore Bench. The class was marked by enthusiasm.

Sophomore Congress began the year with a great deal of enthusiasm. In October they had a bake sale, and they demonstrated their school spirit by winning the award for the class with the most spirit during Spirit Week. During December the Sophomore Class sold posters.

This was the first year that a Sophomore Congress has ever painted the Sophomore bench.

There were approximately twenty-five active members in the congress which is sponsored by Mrs. Hill. She is assisted with the activities by Mr. Tapia. One of the highlights of the year was the traditional Senior Breakfast that the Sophomore Congress prepares.

Members of Sophomore Congress are pictured in the bottom row from left to right: Jackie Garcia, Elizabeth Baca, Mrs. Hill, Vicky Smith, Rita Stevens; Top row, left to right: Calvin Young, Rita Olvera, Joey Quintana, and Barbara Miera.

Myers's Homeroom Contributes to Spirit

The Students in Mrs. Myer's homeroom met every day in room 219 to study literature and grammar in their English IV class. Throughout the year, the class was a favorite source of income for any organization needing money.

Club Wins Honors in Speech Competition

Speech competition consists of many specialized fields such as dramatic interpretation, extemporaneous speech, debate and oral interpretation.

The club worked hard to learn and improve in these fields. As evidence of this hard work, many individuals in the club, won regional honors. This year's Speech Club sponsor was Mrs. Watters.

Speech Club members are: Isabel Barraza, Louis Quintana, Cathy Large, Damon Tobias, President; Andy Armijo, Patsy O'Leary, Historian; Eddie Jaramillo, Joe Samora, Maxi Riggens, Anthony Griego.

Mrs. Watters has little time in her schedule to pose for La Reata.

Club Makes Effort to End Apathy

This year a very unique club was formed by a group of outstanding students who wanted to help improve the spirit of A.H.S. They chose the name Apathy Club; and totally contrary to its name, the club was very active in many aspects.

The Apathy Club helped the La Reata assembly and several other assemblies become successful. The Apathy band, dressed in ridiculous costumes, performed hilarious routines which brought laughter to all who saw them. Becky Ortiz, the only girl in the club, introduced the band at all the assemblies.

This strange sight of the Apathy band became a common sight at assemblies.

Apathy Club members from left to right are: Frank X. Chavez, Eddie Jaramillo, Damon Tobias, Louie Quintana, Eugene Espinosa, Wyatt Moore, John Rivera, Anthony Griego, Frank A. Chavez, and Billy Cruz.

This Year's Chorus Has the Now Sound

The Girls Chorus are left to right, Row 1: Theresa Funes, Linda Aragon, Gene Marquiez, Jeanette Lovato, Ruth Martinez, Linda Vigil, and Dorthy Nuanes; Row 2: Yolanda Chavez, Lucille Segura, Wilma Reyna, and Susan Dorn; Row 3: Yolanda Baca, Louise Edmon, and Roberta Segura.

Chorus which consisted of three groups, Concert Choir, Girls Chorus and Mixed Chorus, was directed by Miss Pisciotta. This is the first year that all the groups had uniforms. Money was raised for the uniforms by selling note cards, and having an orange and lemon sale.

This year's Chorus performed two concerts for the student body; one on December 20, and the other on January 31. Miss Pisciotta, who made every effort to update the music sung by the Chorus, selected such songs as "So Faraway," "Where the Children Play" and "One Tin Soldier."

Chorus Offers New Sights, New Sounds

This year a new vocal group was established entitled "Black-Gold." The members are Linda Shannon, Denise Woods, and Charlene Ducksworth.

Los Portaestandartes

Albuquerque High is the scene of many faces—a special place where not only the students congregate but the community congregates—a place where A la, Oh Si, Orale, truckin', Boogey, right on-man, Dig it, thats cool, far out-man, Calabaza, Slick, heavy, express more than a temporary moment—they reflect a way of life. A life that brings A.H.S. students and alumni together in traditions and pride. The following pages are made up of some of the people who have spent extra hours doing what's expected of them and more, and of people who have excelled in their individual fields. This year's staff has devoted a special section to these people who have kept up the high standards and traditions set up by fellow Bulldogs since 1891. The staff chose the title "Los Portaestandartes" for this section, because it means "the standard-bearers" in Spanish.

Vietnam War Ends

Richard M. Nixon, President of the United States

The year of '72-'73 ended another cycle of war and started another cycle of peace. On January 27, 1973 at 5:00 p.m. a cease fire agreement was signed to end the Vietnam War.

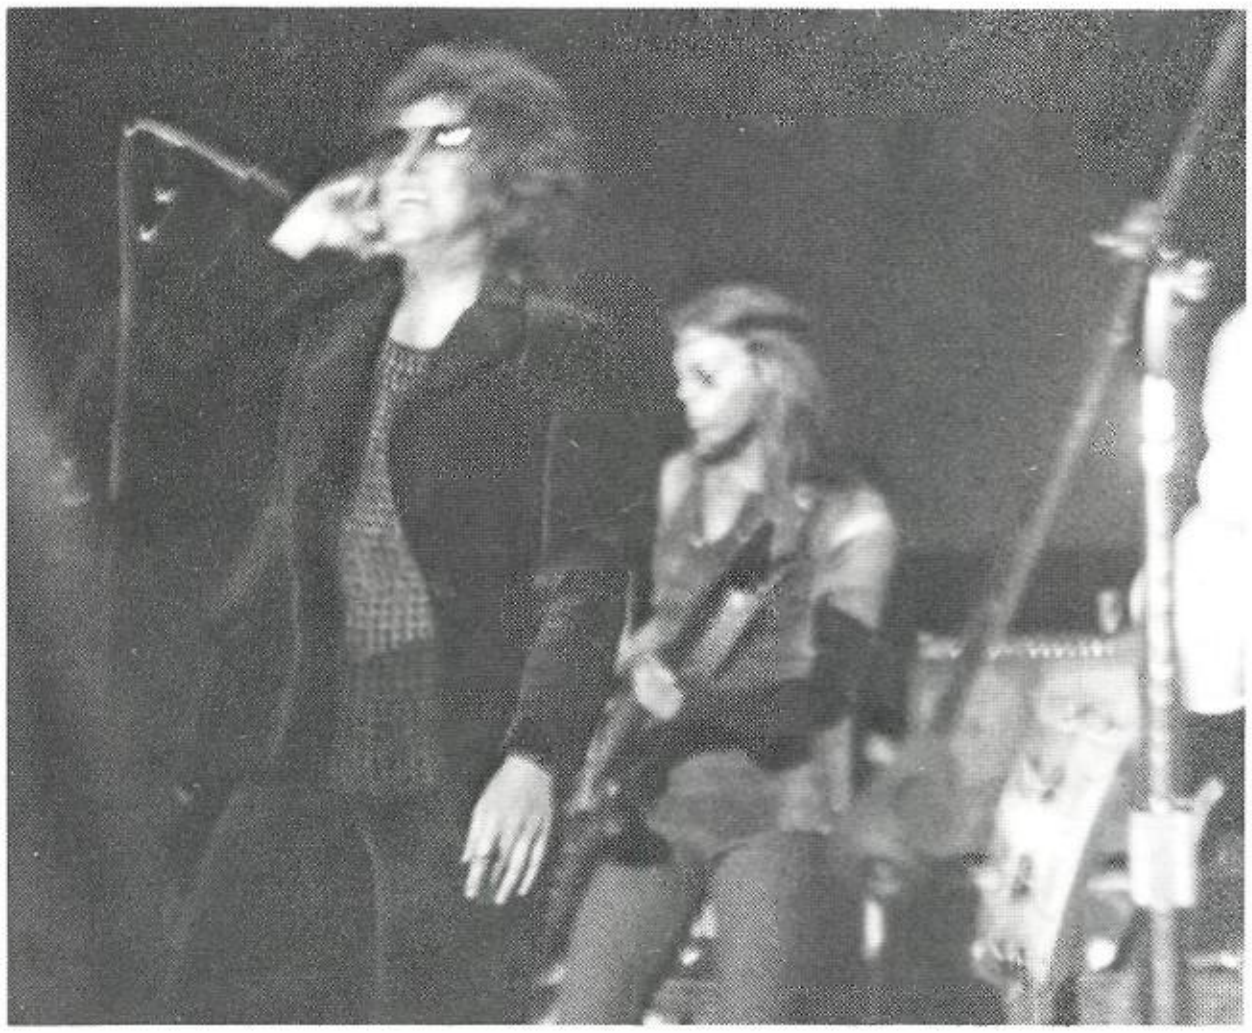
On November 4, 1972, President Nixon visited the Albuquerque International Airport to campaign for the November 7 election. Elected as a new United States Senator was Pete Domenici.

Concerts are a new trend among young people today. And one such concert enjoyed this year was the Jefferson Airplane Concert which was held on September 10, 1972.

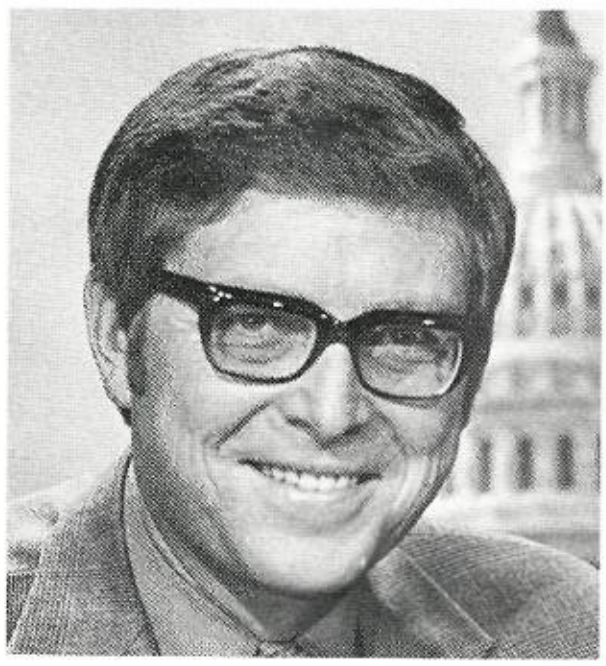
The two newest buildings built were the Convention Center and the Airport Marina Hotel.

In late August and early September a resident of Albuquerque, Cathy Carr, qualified for the Olympics. She won two Gold Medals in swimming.

Another highlight for the year 1973 was the Hot Air Balloon Race which began February 12 and ended on February 17. There were 90 different balloons from all over the U.S. and other foreign countries.

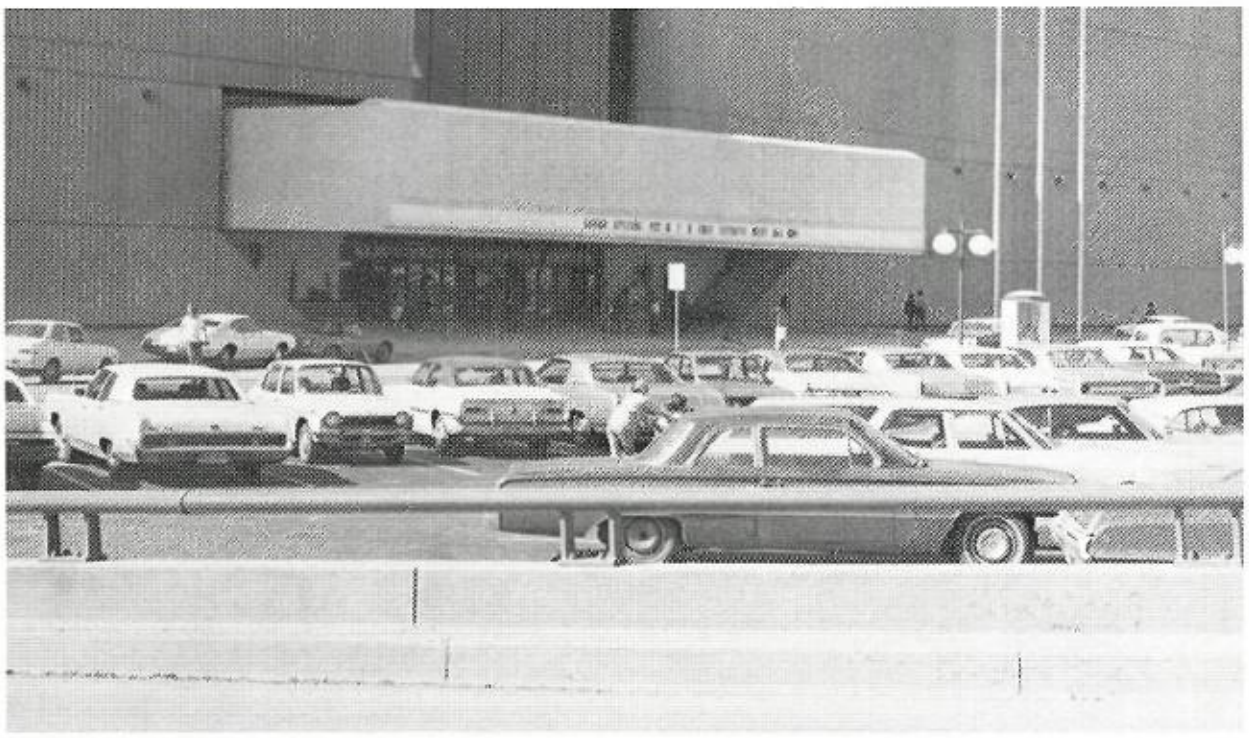


At the University Arena, Gracie Slick, of the Jefferson Airplane, performs one of the many songs in the repretoire of the group.



Our newly elected senator, Pete Domenici, has already proven to be an active representative of New Mexico.

On October 6, 7, and 8 Albuquereans flooded into the new convention center located in the downtown area.



Eighteen year-old, Cathy Carr, who represented the United States in the Olympics, won two gold medals in swimming.

A gala fiesta to celebrate the opening of the Airport Marina Hotel was held in December, 1972. The hotel was designed to fit into the Southwestern architecture of our city.
